Integration Discussed at OCCU

'Unfavorable Image' of Orinda Heard at Meeting

Orinda's "unfavorable image" as compared to other nearby residential areas such as Montclair and Piedmont was described by Milt Nason, Oakland attorney, at a meeting of the Orinda Council for Civic Unity at 8 p.m. Wednesday. The open meeting was held at the Orinda School.

Nason, associate editor of "Real Estate Report," said that in Orinda's "lily white" image (with an unfavorable connotation) we find the highest degree of prejudice in the fact that there is no integration.

NASON stated: "Here where we would expect to find reflected the highest level of education and the most cosmopolitan and sophisticated attitudes."

In discussing "Property Values and Race," Nason said that numerous studies have shown that there is little or no effect of integration on real estate values. They neither go up nor down," he said.

Nason spoke of the anomaly of Orinda's position in that here one would expect to find "less of the fears, superstitions and beliefs in race mythology." He stated that these are usually associated with uneducated and less sophisticated groups.

THE OTHER speaker for the evening was Dr. Helen Amerman, Ph.D. in sociology, who discussed "Property Values and Race." Both speakers worked on the "Commission for Race and Housing," a five-year study sponsored by the Fund for the Republic.

Dr. Amerman reported on inter-racial private housing projects and of their success all over the country, including the deep South. She described the ways and means of going about this.

"If we want to do this here, the first step is to look to the influential people in the community," Dr. Amerman reported.

GARY KERR, the county's 1962 Easter Seal theme boy, relaxes with Mrs. Donald Tow, contemplating his appearances on behalf of the campaign which just began. Sun photo by Bob Rush.

Gary Is Symbol

Eight years old and every inch a real boy. That's Gary Kerr of Walnut Creek, Contra Costa County's 1962 Easter Seal theme boy.

Melvin Hardin, president of the Easter Seal Society for Crippled Children and Adults of Contra Costa County, said Gary will make several appearances during the Easter Seal campaign, running through April 22.

Gary, son of Mr. and Mrs. Jack Kerr, is a paraplegic who became crippled as the result of an accident at the age of 2½ years.

INTENSIVE physical therapy has brought him along the rehabilitation road to the point of being able to stand in braces and walk with the aid of crutches, although much of his time is still spent in a wheelchair.

The wheelchair does not deter Gary from being an ardent sports fan. His particular love is baseball, and one of his most treasured possessions is a baseball autographed by members of the Giants team.

With his older brother, Steve, who is 14, and younger brother, Kevin, 5 years of age, he enjoys an active game of "Three-O-Cat," running the base expertly in his wheelchair.

Another of Gary's special loves is a frame of mounted butterflies, which he himself has caught with his butterfly net.

CATCHING butterflies has become a he-man's sport in Gary's neighborhood because of Gary's enthusiasm. Everyone within a

radius of five blocks from Gary's home keeps an eye out for Monarchs and other rare species.

Gary's better than average scholastic record at Shadelands School for physically handicapped children in Concord, indicates that he will go far.

College is undoubtedly in his future, even if he becomes a chemist, a physicist or an entomologist he aspires to be now.

Easter Seals have played a part in encouraging and developing Gary's two special hobbies. He has attended the Easter Seal resident camp for physically handicapped children near Boulder Creek in Santa Cruz County, where there is plenty of opportunity for baseball and other sports, and lots of butterflies.

GARY HAS learned to swim at Easter Seal Camp. And now swimming is another one of Gary's hobbies.

Gary has kept up an active correspondence with one of his counselors at camp, Diane Smith, a college girl from Red Bluff.

Last summer, Diane's letters kept Gary posted on camp activities since the chicken pox caught up with him as he was getting ready to go to camp.

This summer Gary is certain that nothing will stand in the way of Easter Seal Camp, and he is looking forward to seeing Diane again.

Don't Judge Post Article By Its Cover

The Saturday Evening Post for March 10 is an object lesson in not judging a book by its cover.

As we reported, the face on the cover belongs to a local boy, Don Langsfeld of Moraga.

On the inside blurb, it tells how he feels about his high school letting him down—not preparing him to become an auto mechanic in a service station. It is an excellent photograph, as are all the illustrations in the article, by Orinda's acclaimed photographer, Wayne Miller.

However, Don's situation has almost no bearing on the content matter of the article, "We Waste a Million Kids a Year."

The article deals with "drifters, rejects and outsiders" who have difficulty finding a job. Don, nor his school, nor his family belong in this category.

And as any resident of Contra Costa County could tell the authors of the article, any boy who wants to work in a gas station here will have no problem landing a job!

DOUBLE-TALK is not only the subject of this little discussion, it also is the name of the chapter of the Mother of Twins Club to which they belong. Planning a tea for next Saturday, March 24, at Kellogg's, are Mrs. Rod Bambach, Mrs. Fred James and Mrs. S. Havey. Sun photo by Bob Rush.

Twin-Kin Will Meet to Talk of Double-Trouble

Members of Double Talk chapter, Mothers of Twins Club, will assemble Wednesday night at Kellogg's in Walnut Creek for their monthly dinner meeting starting at 7 p.m.

Much of the meeting will be devoted to checking birth record lists, school records, diaper services and the results of milkman polls made by members to secure the names of mothers in the area with multiple births.

All this double-checking is being done to be sure eligible mothers receive invitations to the annual membership tea to be held at the Concord Inn, Saturday, March 24, from 2 to 4 p.m. The tea promises to be a highlight in the social activities of the club, whose main aims are to trade secrets and information about the difficulties in the rearing of twins.

If, by any mishap, an eligible mother's name was left off the guest list, she is cordially invited to attend. A call to Mrs. F. H. Janes, YE 4-1458, will confirm her reservation.

Exchange Student Winner of Lions' Speech Contest

Jean-Michele Sicre, American Field Service exchange student from France attending Miramonte, was the winner of zone 8 speakers' contest sponsored by the Lions Club Wednesday night at Montair School in Danville.

Five local winners—from Lafayette, Orinda, Moraga, Danville and El Sobrante—were entered in the zone 8 competition.

Sicre has now qualified for the region 4 competition which will be held March 29 at Ed's Place in El Sobrante.

A Family Affair...

By BARBARA DALBY

Youth concerts in Walnut Creek on Sundays have become a family affair.

Long before the recent concert the front seats were filled with enthusiastic bright eyed children and patient parents awaiting the inspiring music or fiery dancers of the "Caledonia" program.

"We believe in getting there early," said Mrs. Chandler Barkelew of Orinda. "We sit as close to the artists as we can."

THE CHILDREN know at the end of the concert that this is a real effort and they appreciate that.

Kendall Whitney, a Las Lomas sophomore is very discriminating in her comments. Having studied piano she fully under-

stands the endeavors of the artists.

Kendall said, "My father and mother talk over the programs after we come home and this helps me to understand them even more."

Two interested alive young students at Las Lomas High School, children of Mrs. Sanford Marlor of Walnut Creek will be at this Sunday's 2:30 p.m. concert featuring Lola Montes and her Spanish dancers.

SALLY MARLOR said she is studying modern dance at school and feels that she learns from the beautiful and talented dancers and performers presented by Youth Concerts.

Her brother Tommy Marlor, on the other hand, approaches

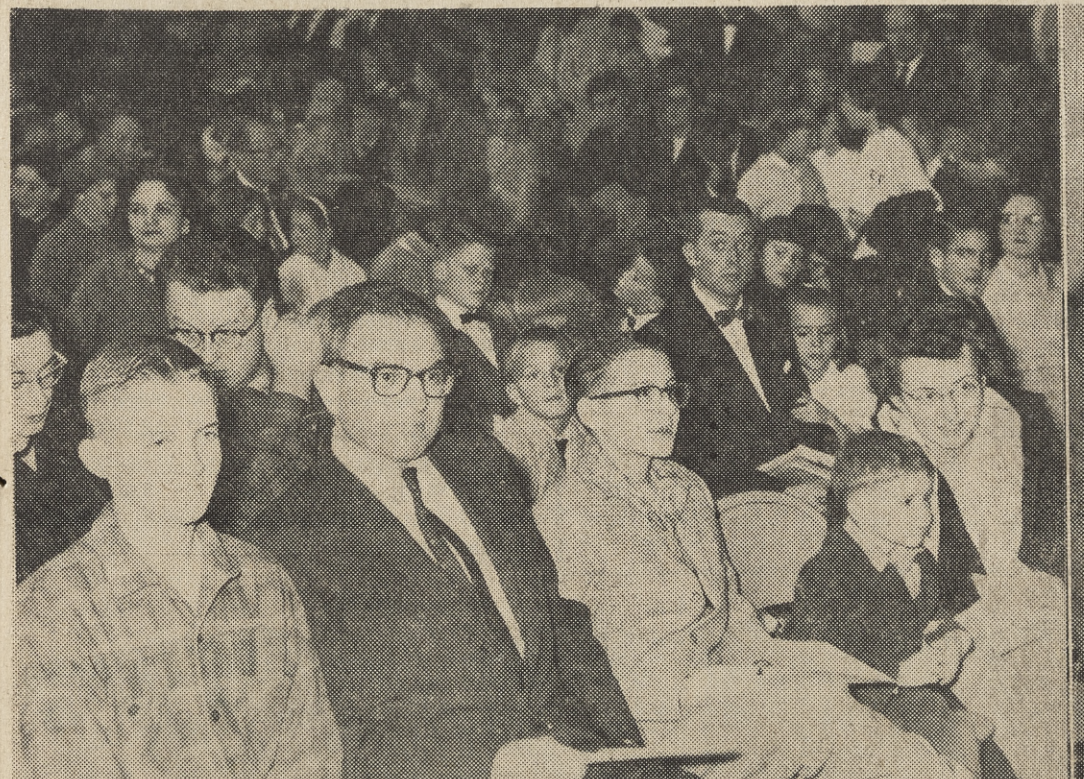

his music more from the mechanical viewpoint... how the instruments operate and how the melodies are planned and executed to create an effect.

The concert will be held Sunday at Las Lomas High in Walnut Creek.

Lola Montes and her company has won applause in the famed Hollywood Bowl under the batons of Stokowski and Xavier Cugat displaying fiery beauty and versatile dancing ability.

THIS CONCERT will be presented to holders of Youth Concert season tickets only. No tickets will be sold at the time of the concert.

The next program will be April 8 with the Gilbert and Sullivan Concert Hall.

ABSORBED in a Youth Concerts program are members of the Edwin Floyd family of Walnut Creek, and others. The "Caledonia" singers and dancers won strong applause. The Youth Concerts program is a "family affair," and each year is drawing more and more local residents.

GREETINGS are extended by JoAnn Olson of Pleasant Hill to Clifford Norton of Scotland after the recent Youth Concerts performance of "Caledonia Singers and Dancers of Scotland."

When Irish Eyes Are Smiling . . .

Sure, it's like a morn in Spring & that's how it was the day we were hanging up tiny Japanese lanterns on the oak that spreads itself over our deck, (something to delight the baby's eye) when up to the mailbox & the coincidental surprise of Sis Sibbett's clever mailing—a yellow paper bauble opening up to dangle an announcement "We're In Bloom." She means her Village Imports Shop, of course. Or does she? Remind me to check that out!

SURE & if you're looking for an Irish Coffee recipe, how about this one, picked up on a printed Irish linen towel at a charming shop, "Imported Fabrics & Irish Things" in Carmel?

CREAM—Rich as an Irish brogue,

COFFEE—Strong as the tongue of a rogue,

SUGAR—Sweet as the tongue of a rogue,

WHISKEY—Smooth as the Wit of the Land!

ABOUT the Blarney Stone: "There is a stone there, that whoever kisses, Oh! He never misses to grow Eloquent . . ."

FROM the Gaelic, a St. Patrick's prayer—"May the roads rise with you . . . and the wind be always at your back . . . and may the Lord hold you in the hollow of His hand."

We've had our door decked for a week w/a bouquet of Bells of Ireland, a white clay pipe, a Kelly green shamrock, a tall Irish hat & sure if we haven't TWO reasons to celebrate. Today is the Birthday of Our Wild Irish Rose name of Patricia Erin Louise, age 1 & where did the time go? Never had such a joyous time & have even forgiven her for bowing in one day ahead of March 17th!

A Bit of the Blarney . . .

When it come to naming avocados, I don't think you can beat the batch stamped so at Lucky's this week—"BRAVOCA-DOS" . . .

Then for the style-setters out on Devin Drive in Moraga, we have Joanne Bryant in her Bach sweatshirt, the absolute envy of her next door neighbor, John Mekonis, himself a famed fancier of hats & sweaters. Well, John had his day, too, recently at a convention of rug men in Sacramento when he won & modeled a Beethoven sweatshirt.

Meanwhile, back in the Music Room, John, why don't the Rug Men come up w/Bach & Beethoven or even Brubeck Rugs to match the latest in records & hi fi equip?

BRAVE SOULS, that Barbara Graber & Barbara & Bill Lincoln, the trio flying off in their own plane to Santa Barbara for a wknd . . . Vic Graber, who feels safer on his polo-playing ponies, met them down there courtesy PSAirways.

CASA ORINDA Cause celebre—Irene Rohr & Elaine Reade all dolled up at lunch for a special occasion—The Occasion? They were going to Alta Bates Hospital to bring Elaine's husband Leo home after 3 wks. in the care of too many pretty nurses!

ICECAPADE: A Get Well Quick to Audrey Gregory who will be a long time on the chaise-lounge after breaking her hip during an ice-skating outing w/her young daughters!

ORINDA had a small hand in Col. Glenn's Big Day for Captain Allan Gilbert, USN, a Navy Doc of Valley Dr., was aboard one of the three ships slated to scoop the spaceman out of the sea. Wife Rosemary (she's president of the Welcome Wagon Club ladies) had to undergo the excitement each & every time husband Allan took off for another try.

AN AUDIENCE of almost 200 heard Father Andrei Urusov speak at Santa Maria's last Monday night. Like a Spectre, the statuesque bearded man, tall as a tree and twice as straight, suddenly appeared in the doorway shortly after eight p.m. His sense of humor was injected right into the opening sentence when he announced he was "not a Sister" despite his voluminous wraps & high black astrakhan-type hat, the traditional uniform of the Russian Catholic order.

Commenting on the Communists, he said they were not dedicated people, they were "pushovers," automatons that worked 24 hours a day/only one single thought in mind—Conquest of the World . . . Where Communism is concerned, he warned not to be like the man who suspected burglars & locked the windows & the front door . . . When asked if he'd locked the back door, the man replied—"Oh, I don't think he'll try to get in that way . . ."

(THAT'S WHAT BOTHERS about the bill before Congress . . . have you heard of anything flimsier?)

His very realistic approach to Communism & "the human explanation" if it was based on his personal experience, research, and the over 200 periodicals that he subscribes to, some from the Soviet Union.

AFTER the lecture, we enjoyed eavesdropping while Mela & Ray Fountaine conversed first w/the Priest in Russian, then in French. Rev. Urusov who had two accents to overcome when he speaks English, writes all his papers & theses in French.

Shamrocks and Shillelaghs . . .

Dr. Jim Eldred's Yolande will chair the Medical Auxiliary's Flower Ball . . . The Paul Handlerys are helping the Irish Priest, the Rt. Rev. Monsignor J. Patrick Carroll-Abbing raise funds for the Boys' Towns of Italy. They'll have a Ball for some May 5 at the Fairmont. Contra Costa Chairman for the Ball is Robert B. Johnson, president of Orinda Country Club.

Marge wants to go to Carmel but let's bet Bill Douglass sticks around to the finish of the Orinda Country Club's tennis tourney—he drew for a partner, young champ Lynn Abbes.

ORINDA REPUBLICAN WOMEN'S Club will sponsor a series of dessert-bridge parties in pvt. homes, Mon., April 9, & Vera (Mrs. Berend) Bremer, CL 4-3782, invites interested bridge players (Democrats included) to contact her for reservations.

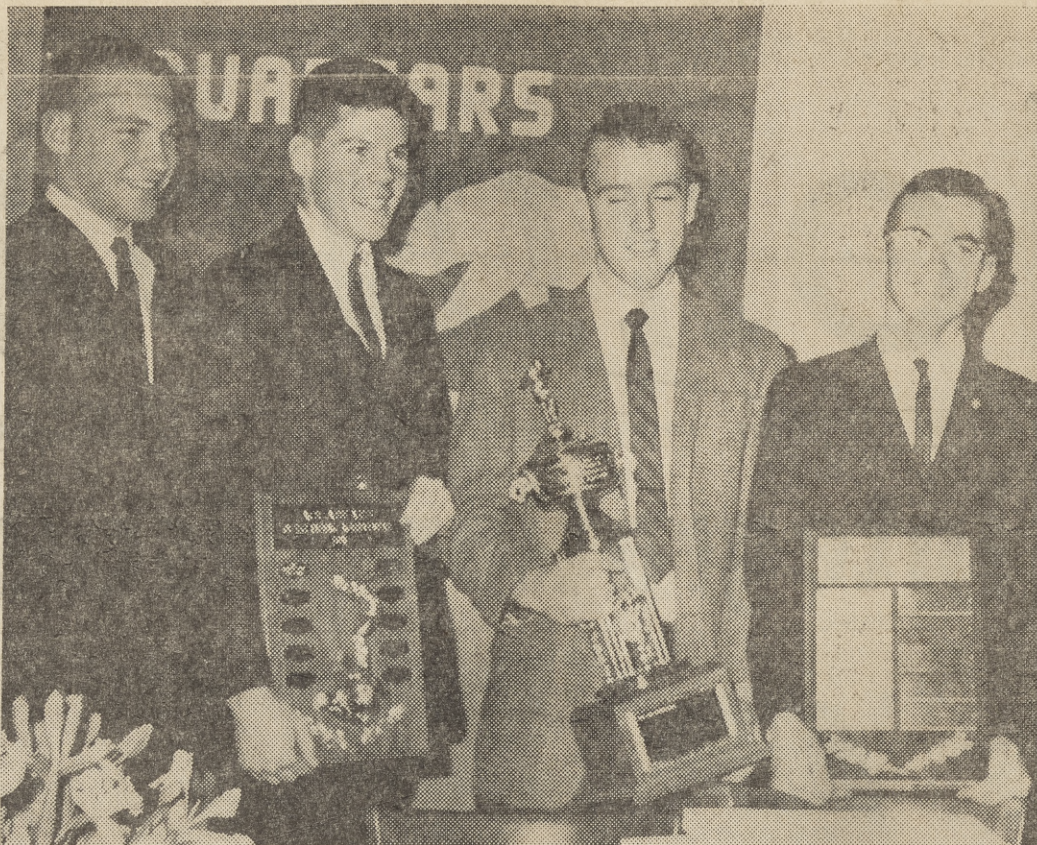

CHANGE OF DATE for the Miramonte Parents' Club Jubilee—From April 13 to May 4th if you'll make a not of it, please! The earlier date would have cut down the crowd of parents, students & teachers due to Easter vacash.

CELEBRATE the first of Spring next Wed. with the Women's Board of The Valley Art Center—On March 21, a house tour titled "Art In The Home" w/tour homes, (one to be an art studio, another a potter's studio, still another a delight in Tahitian fabrics & oriental decor) to be open 11-3. For tickets, mail donation of \$2.00 per to Mrs. William Emory, #2 Lynch Court, Moraga . . .

HAVEN'T we forgotten something? Like Martha Courtright, oh, sign of Spring, buying a yellow climber rosebush—or Nancy Hanley checking the Spring hats at Joseph Magnin . . . or Roland Nunn & his young son (hanging on behind) motor-skooting up El Toyonal . . .

Or Hilja Case waving on her way to Lola Tebb's luncheon in honor of Mary Dorr's visiting mother, Harper Wright . . . & did you know former Orindan Nan Davidson, now in Los Alamos, is working w/Mary Dorr (now in Malibu) on the newly-formed Coast Book Club. Nan's the organizer of the new Southland Series . . . & did you know the Stork is hovering over the Walt Jamesons (June!) as well as the sooner-expected Charles Hunts of Park Lane Drive . . .

A POT OF SHAMROCKS, one each, for Ernest Drews & Norman Parker who both celebrate their Birthdays on St. Pat's . . . & Gerry Pixley who shares his B'day date w/wife Lois, March 12, was "surprised" last Saturday night . . . Don't forget to wear GREEN tomorrow . . .

Novelist Sues Officer Over Play Rights

An Orinda lieutenant colonel has been named in a lawsuit filed by best selling novelist Niven Busch over the rights in his latest screen play.

LT. COL. C. C. Parks, USA (Ret.), 69 Barbara Road, Orinda, claims he owns part interest in the play, "The Execution of Private Slovik." Busch asked the court to name him sole author and owner of the play.

The suit was transferred to Contra Costa Superior Court from San Benito County, where Busch lives on a ranch near Hollister.

According to Park's attorney, David Dolgin of Martinez, Busch has offered to pay Parks a percentage of the proceeds from the play.

"It's a long, complicated story—the suit, not the play," Dolgin said. "It began seven years ago in Carmel."

IN JUNE, 1955, Busch began writing the play, based on a book of the same name written by William Bradford Huie. It is the story of the only American soldier executed for desertion in the face of the enemy during World War II.

Busch needed a technical adviser to tell him how courts-martial are run. He met Parks in the Carmel library.

Busch's attorney, Herbert Wyckoff of Watsonville, said Parks refused to accept payment for his services. The original complaint says the retired officer took the job only on the promise that Busch would try to get him hired as a technical adviser if the play was ever produced.

It was a turkey, Wyckoff said. It was never sold and is still unmarketable, he added.

LATE in 1955, Busch began work by himself on another screen play based on the same book. This time it connected. In April, 1959, he sold the finished product to Essex Productions, a film company owned by singer Frank Sinatra.

But, Wyckoff said, Parks still claims he has an interest in the play for his advice on the original draft. Busch filed the suit in San Benito County last January.

Orinda Church Will Dedicate Sanctuary Sun.

Shepherd of the Valley Lutheran Church, Orinda, will have the service of dedication of their sanctuary this Sunday, March 18, at 11 a.m.

The Rev. Carl V. Tambert, D.D., president of the Evangelical Lutheran Synod of the Pacific Southwest, will be the speaker and will conduct the service of dedication.

The sanctuary, completed in the fall of 1960, seats 300 and the total cost was approximately \$150,000.

Donald Powers Smith, A.I.A. of San Francisco, was the architect and D. E. Moss of Piedmont was the contractor.

The congregation was organized in November of 1953 with 74 charter members, now numbers 500 baptized members.

Pvt. Wiseman Ends Boot Training at Ord

Pvt. Richard S. Wiseman is home on leave, having just completed his boot training at Fort Ord in the armored division. He has been assigned to Fort Carson at Colorado Springs, Colo.

He has been visiting family and friends in the area. He lived in Lafayette and attended Lafayette Grammar School, Stanley and Acalanes where he was active in sports.

Help! Fireman! My Roto-tiller Is Sinking Fast

A Moraga handyman was revived by resuscitator Monday—however, his roto-tiller was nearly drowned!

The Lafayette Fire Department answered an emergency call at the home of Mr. and Mrs. P. L. Ennor, 3171 Somerset Place, Lafayette. They had no difficulty reviving Carl Madsen, 2 Madsen Court, Moraga, who had fainted while roto-tilling the Ennor's backyard.

The roto-tiller kept going and broke through a plastic pool cover, diving into the deep end of the Ennor's pool.

Madsen enlisted the aid of Moraga ranchers Sam Carr and Steve Mazika to retrieve the 800-pound tiller. It was not as easy as bring Madsen to had been. A winch and "come-along" were enlisted to tug the tiller to the shallow end of the pool.

Madsen reports that he is fine—but he's not so sure about the tiller!

Moraga Summer School Program Set by Board

Principal Robert Trask of Donald L. Rheem Elementary School was appointed summer school director for the Moraga school district at a meeting of the school board Wednesday at 7:30 p.m. at the Camino Pablo School. The summer program will be held from June 20 until July 18 at the Rheem school, according to Superintendent William Knight. Sign-up slips will be coming out soon.

This year, the Moraga fifth grade children will be included in the Sierra's Donner Ski Lodge recreation program. At the previous board meeting, Superintendent Knight read a letter from Orinda school district approving the inclusion of the Moraga fifth graders. Moraga will defray the cost.

Mrs. Verna Carlsen was assigned to the summer outdoor education program. She will evaluate the program, the area and develop a curriculum outline.

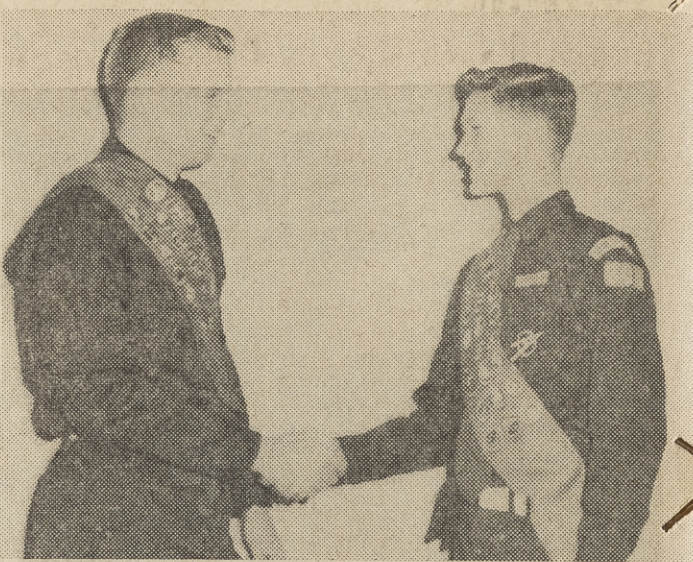

Also under discussion at the Board meeting Wednesday was the addition to Camino Pablo school. Members of the board went over preliminary architects' plans for the addition which will include two kindergarten rooms, four regular classrooms and one multi-use room. The plans, submitted by architects Marshall, Lee and Ehrenkrantz, were approved.

Board member Rex Collings reported that he had sent out many letters in the community intended to secure names to fill the vacancy caused by the resignation of Donald Falconer. Collings stated that the preliminary screening for the board-appointed member, whose tenure in office will last until June, '63, is open for suggestions from the community. Any communications in this regard should be sent to Rex Collings in care of either of Moraga's schools.

It was held at Paul's Restaurant, Martinez.

Hats Off To...

Rev. David Harrington, Pastor of Santa Maria

IRISH SHAMROCKS, please, for Reverend David J. Harrington, pastor of Santa Maria Church, who first came to Orinda as pastor of the first one-room Santa Maria Church on Miner Road and stayed to build the beautiful modern mission-type church and school that today grace the terraced hillsides at the end of Santa Maria Way.

The Irish priest whose parents came from Castledrum, Castlemaine, County Kerry, Ireland, was born and raised in San Francisco, studied at St. Joseph's College, Mountain View, St. Patrick's Seminary, Menlo Park and was ordained a priest in 1933 at St. Mary's Cathedral, S. F. Following work at San Carlos Church, Belmont, and an assistant pastorate at St. Jarlath's, Oakland, Father Harrington came to Orinda in March, 1952, from St. Edwards, S.F., to preside over a comparatively small but growing parish at the tiny white steeped church that had been given to the diocese by the pioneering deLaveaga family.

The parish has now grown to more than 900 families. **NEW PROPERTY** was purchased, plans made for the new Santa Maria Church, and on Christmas eve of 1954, Father Harrington conducted the first mass in the spacious new building. Santa Maria School, added a few years later, opened September, 1960, and this year will add a sixth grade to the five now in progress.

THE TALL MAN with the quiet smile has two brothers and two sisters (one of the latter belongs to the Order of the Sisters of St. Joseph Carondelet) and his parents live in the Bay Area. He is assisted in his work at the church by Reverend Daniel Cardelli (another Irishman?) and enjoys good music, plays, and fine poetry, some of which he authors himself.

Mutnick Criticism Is Labeled 'Sour Grapes'

Charges of "sour grapes" and "un-endorsed" were being hurled this week by the two contestants seeking the Democratic nomination for Congress in the 14th District — Charles R. Weidner and Harold E. Mutnick.

Mutnick, a Lafayette attorney and long-time party stalwart, sent letter to all the editors of the area protesting the use of the term "endorsed Democratic Party candidates" used in reference to "any" candidate in the campaign.

SINCE there is only one other candidate, it was obvious that the object of Mutnick attack was Weidner who received the blessing of the Democratic Clubs of Contra Costa County at a convention held two weeks ago.

The Lafayette attorney called the action of that meeting "the unofficial action of a convention of individual club members and not of elected delegates."

According to Mutnick's charges, "Democrats who are not club members or who did not attend the Concord Inn convention, or who could not afford the \$1.25 'poll tax' were not polled on their choice."

MUTNICK insisted that the action was not officially that of the Democratic Party or of the Contra Costa County Democratic Central Committee. He declared the only true and official endorsement is that of the people of the Democratic Party in the primary election.

Meanwhile, Russell M. Koch, director of the California Democratic Council in Contra Costa County, declared:

"I was extremely disturbed by the untrue and unprofessional statements issued to the press by Harold Mutnick following his failure to receive the Clubs of Contra Costa County."

"IT IS the height of hypocrisy for Mr. Mutnick to denounce the very endorsement which he so fervently sought, simply because he was not endorsed. His charge that the convention was 'undemocratic' is untrue and a clear case of 'sour grapes.'"

Koch asserted that the representatives of 26 clubs comprising 1800 members, democratically weighed the qualifications of the two competing candidates and by better than two to one secret ballot vote chose Weidner.

The council director concluded, "No amount of unfair, self-seeking publicity attacks upon the Democratic Clubs will alter the facts and I along with hundreds of others, including his own former supporters, urge him to join the united effort to elect Charles Weidner our next Democratic congressman."

William Anderson, chairman of the statewide legislative committee, will meet with legislators, termite representatives and chairmen from 170 real estate boards.

Mildred Tinker, chairman of Women's Division, District V, will assist the state women's division chairman and participate in the ethics and professional standards committee and achievement committee activities.

Dick Janssen and William Kendall will represent the local board on the broker-salesman relations and constitution and bylaws committees, respectively.

Carl Bryant and Phil Dirks will meet with state university and association educational committeemen and Ted Poehler will serve as vice chairman, North, on the multiple listing service workshop sessions.

Ray Henry, W. Ed Wallace and Roger Jernigan are also delegates.

Charles Bailey will conduct a meeting of the state program planning committee.

Edward S. Carmick, a retired U.S. Naval officer and professor of engineering at San Jose State College, will be the principal speaker at a testimonial dinner honoring Dr. Drummond J. McCunn of Diablo Valley College next Friday evening.

The dinner will be held in the student lounge of the college at 7 p.m. Dave Fisher, president of the Taxpayers and Parents Associated for Better Education, is in charge of arrangements. Reservations must be made by Monday noon.

Carmick's talk will be on the subject of "Americanism in Education Today." Other speakers will be O. J. Wohlgenuth, charter member of the junior college board; Edward E. Heavey, San Francisco attorney, and the Rev. George Moore, pastor of the Walnut Creek First Baptist Church.

Realtors Attending Sacto Meet

Eleven Realtor members of the Contra Costa Real Estate Board will attend the California Real Estate Association directors' meeting this weekend in Sacramento, said J. N. Smith, president.

Bishop Pike, renowned clergyman, lawyer, author, scholar, had just returned from a junket to the east coast. Among the places he spoke while there were the Mariners' Church in Detroit, the Temple Sinai in New York and the Grenthe Chapel at the University of Chicago.

(His tour was interrupted in the middle to fly home to attend the funeral of the late Rev. Walter Williams, rector of St. Marks' Episcopal Church, Berkeley.)

Bishop Pike is author of books and articles in the field of federal, judicial and administrative procedure. He is author of "Beyond Anxiety," "If You Marry Outside Your Faith," "Doing the Truth," and "The Next Day." Also, he co-authored "Roadblocks to Faith," "The Church, Politics and Society," "Man in the Middle" and "The Faith of the Church." He is editor of and contributor to "Modern Canterbury Pilgrims," and has appeared on television every Sunday for the past three years.

A GRADUATE of Yale University Law School in 1936, he is a member of the bar of the United States Supreme Court, the California Bar Association, and has received numerous honorary degrees. In World II he served as an intelligence officer in the navy, and as attorney for the United States Maritime Commission and War Shipping Administration.

Among the bishop's civic activities, he has served as president of the New York chapter of the America-Israel Society; chairman of the housing committee of Urban League; member of the board of American Red Cross, the Seaman's Institute, Trinity School, and a member of the graduate board of Yale Law School. He is married and the father of four children.

FROM THE bishop's vast background, he gave the small group gathered in Orinda a comprehensive, concise contrast between Marxist communism and American democracy.

Taking the biblical view, Bishop Pike said that in our society, all men are citizens of the kingdom of God — already part of God's corporation. "We are colonizing here, trying to make life here look like the kingdom of heaven," he said.

As an illustration of how we draw power in the present form the future, Bishop Pike cited the example of how early Christians bravely faced lions. "Their cause was a winner," he said.

On the opposite side of the fence, he described Karl Marx's religious background which resulted in his substituting communism for religion — a power for the present. Its attraction is that it is a guarantee for here and now, he explained. "They have stolen our stuff!"

BEFORE MARX became an atheist, he converted from Judaism to the German Lutheran church. Bishop Pike contrasted the Scandinavian doctrine of Lutheranism with the German. In the latter he said, God could judge society but not the church. This was the reason, he explained, that Father Neibuhr did not actively resist Nazism until the end, when it interfered with church rights; while the Scandinavian branch vigorously and early opposed Nazism.

When Marx broke with the German Lutheran church, he kept the material part of the doctrine, rejected the spiritual. In stressing the fact that our American way of life did not come out of the blue, Bishop Pike said that our founding fathers had deep religious convictions. "They were drenched with Biblical spirit."

WE MUST remember the roots of our way of life — have a basic understanding of our fundamental doctrines according to the bishop. "We should love our heritage," he said and reiterated that he wasn't referring to just sheer patriotism.

In summarizing the three major differences between our democracy and Marxist Communism, Bishop Pike listed the following:

1. COMMUNISM is held together from without, democracy from within. "There is a policeman in every heart," he said. Therefore we rely on our conscience — not a policeman on every corner. More and more self-discipline is called for on our part," he said.

2. COMMUNISTS interpret the doctrine of "original sin" differently. The bishop explained that communism takes the self-centered attitude that they are the masters of their fate; while we have the altruistic attitude that there is a lot of tidying up ye to be done. Their attitude is rather naive, he said, as it's based on the premise that to be well off and comfortable is to be good. He quoted Lord Acton: "Power tends to corrupt. Absolute power tends to corrupt absolutely."

3. COMMUNISTS take the view that the state is more important than the individual; while we take the opposite view. They shove people around, mold them anyway they want because the individual doesn't matter — the state does.

We believe that a person will last forever while the state may not. "We believe in the right to be wrong," he said.

Two Famed Clergymen Discuss Communism

Communism Is Bishop Pike Topic At Local Church

By JANE PUTNAM

"We must know what we're for — not just what we're against," said the Rt. Rev. James A. Pike, Episcopal bishop of California at Moraga's St. Giles' Episcopal Church at 11 a.m. Sunday. "It is freedom we're for. We're against any type of totalitarianism."

BISHOP PIKE spoke on the fundamentals of Judaic-Christian heritage which have given us our American way of life as contrasted by Marxist communism. The congregation meeting temporarily in the all-purpose room at Inland Valley School, 70 Ivy Drive, Orinda, was introduced to the bishop by the Rev. William J. Frankhuizen, vicar of the new mission.

Bishop Pike, renowned clergyman, lawyer, author, scholar, had just returned from a junket to the east coast. Among the places he spoke while there were the Mariners' Church in Detroit, the Temple Sinai in New York and the Grenthe Chapel at the University of Chicago.

THE RT. REV. J. A. PIKE, bishop of California, made his first visitation to St. Giles Episcopal Church, Moraga, last Sunday morning at the 11 o'clock communion service. In honor of the occasion, a reception was held in the rear of the hall following the service.

RUSSIAN JESUIT, Rev. Andrei Urusov, S.J., Ph.D., lectured on "Human Explanations of Communism" in the parish hall of the Santa Maria Catholic Church in Orinda Monday evening. Greeting Father Urusov before the lecture are Mrs. Philip Reynolds, program chairman, and Mrs. Robert Ruthforth, president of the Santa Maria Women's Club.

Russian Jesuit Addresses Club

An appeal to take a realistic approach to communism was made by the Rev. Andrei Urusov, S.J., a Russian Jesuit and director of the Catholic Russian Center in San Francisco. Father Urusov addressed an audience of about 200 at an open meeting of the Santa Maria Women's Club at 8 p.m. Monday in the Orinda Catholic Church's parish hall.

Father Urusov is the son of a Tartar prince of ancient Russian nobility. His parents were killed by the Reds during the 1917 revolution. The young Russian then escaped to Europe, where he lived the life of a refugee in Belgium and Paris. He became a Catholic at the age of 21. Following studies at the Russian Seminary in Rome, he became an ordained priest in the Russian Byzantine Rite at the start of World War II.

FATHER Urusov's approach to communism is based on his personal life, research and information garnered from exhaustive outside sources. His realistic approach to communism is partially based on research he did in Europe in 1958 and -59.

Traveling over 30,000 miles, he did research work on a thesis on the human explanation of communist power. In November, 1959, he defended his thesis at the University of Montreal and returned to San Francisco with a Ph.D.

"ONE-THIRD of the world is communist, and the other two-thirds is helping it along," said Father Urusov. "Communists think, scheme and conspire twenty-four hours a day to further their cause." He added that their prey is not necessarily the poor, underprivileged

Oroville Link Makes Unusual Purchase "I Bought Part of a Mile-Long Train," Says Link

How does an appliance dealer like Orville Link become a part owner of an entire trainload? "Well," says Link, "it all started five years ago when General Electric dealers combined all of our orders into one big order. We bought enough to fill an entire train." The order was placed directly with the General Electric factory in Louisville, Kentucky.

When all of the orders from all of the dealers were ready, the entire shipment was loaded onto a special Bargain Train. This special train was chartered to hold only the one collective order. Individual dealers own certain boxcars on this mile-long appliance train.

Orville Link, of Link's Appliances, 3458 Mt. Diablo Blvd., Lafayette, was mighty happy when the boxcar he ordered finally arrived. "Buying by the boxcar," says Link, "means I can manage to pass on boxcar-sized savings to every one of the many friends in the area. Ordering directly at the factory in large, boxcar quantity means more quality at double the savings!"

Questioned about special features for the 5th Annual Bargain Train, Link replied, "Yep, and toot-toot! More and more bargains!"

Prices Are Crazy! Check Lucky Number!

Fantastic prices, unheard of in any "sane" community, are being featured on the special items of the "St. Patrick's Luck of the Irish Days," to be held in Broadway Shopping Center this weekend.

How would you like to buy a \$170 television set for only \$19? Or a \$200 family wardrobe for only \$25?

These will give you an idea of the "crazy prices" which will be set in Broadway Shopping Center stores during the "Luck of the Irish Days."

THERE WILL be hundreds of crazily-priced items, and each of these special items will go to the reader of The Sun Shopping News or The Sun who has the "lucky number."

Check the "Broadway Section" in your Sun to see what your "lucky number" is. Each Broadway section will be numbered individually. No two numbers will be the same.

Then take your Sun Broadway section during "Luck of the Irish Days" to Broadway, and check the stores to see if it is a winning number!

THERE will be hundreds of winning numbers, where what looks like a down payment will make the valuable item yours forever!

EACH MERCHANT is planning to have several crazily-priced items.

For example, Sears in Broadway will offer a popular model portable television set usually priced at \$169.95 for just \$19 to the resident with the lucky number on The Sun Broadway section. He will be able to plunk down \$19 and the new set is his!

Sears will also offer to a "lucky number" holder a boy's or girl's 26-inch bicycle valued at \$45.98 for just \$4.44.

OTHER lucky prizes are being planned by Sears.

Politics Course Is Planned

The Contra Costa Real Estate Board will initiate an "action class in practical politics" next Wednesday, said J. N. Smith, president.

Objective is to stimulate appreciation and participation in local, county, state and national government, he said.

This rounds out a community program encompassing public affairs, community services and public relations by Realtors of the community, Smith continued.

Charles E. Bailey, chairman of the California Real Estate Association's program planning committee, will conduct the nine-week non-partisan course as discussion leader.

Classes will be held at the real estate board auditorium.

Bailey, who is the immediate past president of the local board and chairman of the board's committee on program planning, previously completed a similar course sponsored by the Walnut Creek Chamber of Commerce.

Members of the local delegation were: President, Irvin Deutscher; secretary, Roy Condeff; John McCombs, Burnell Semrau, Robert Ballock, Alan Lindsey, Don Krampe and John Price. They joined some 300 other delegates from YMCAs in Hawaii, Nevada, Arizona, New Mexico and California in several groups discussing purposes and programs of the YMCA.

Speakers included Dr. Robert E. Burns of Stockton, president of the University of the Pacific; George E. Cullen, Jr., of Detroit, director of labor relations for American Motors Corporation, and Dr. Harland E. Hogue, professor of homiletics, Pacific School of Religion, Berkeley.

The courses, each offering two units of credit, will run for 10 weeks.

The meteorology class, opening next week, will be offered from 7 to 10 p.m. every Tuesday.

Industrial instrumentation will open next week and will be given during the same hours every Wednesday night.

Hearst, Jr., Will Speak To Newsmen

William Randolph Hearst, Jr., editor-in-chief of the Hearst Newspapers, will speak at the 11th annual Contra Costa Newspaper Institute at Diablo Valley College March 24.

The annual event is held cooperatively by the Contra Costa Press Club and the Contra Costa Junior College District for the benefit of the newspaper industry.

Hal C. Cheney, district coordinator of business education, said Hearst's topic will be announced later.

Other speakers and panel discussion participants will include Don Huth, director of Associated Press services for Southeast Asia; Lou F. Family of the Week

BOYS WILL BE BOYS, but a lot of fun, too, agree Peggy and Robert Field shown here with their three—Bobby, 10, Jimmy, 8, and Kendy, 5, in the living room of their handsome hilltop home at 52 Via Floreado. A native Orindan who attended Orinda Union Grammar School way back when, Bob is president-owner of Custom Paper Products of San Francisco, a member of the San Francisco Junior Chamber of Commerce. When school's out at Palmer School in Walnut Creek for the two older boys and at Orinda Nursery for young Kendy (and when their parents can CATCH them!) the family hobbies favored are man-sized ones, like water-skiing, fishing, hunting, swimming and the new sport of tennis which the family has taken up together at Orinda Country Club where Peg and Bob have recently been enlisted to serve on the entertainment committee. The fair-haired mother of this fashionable crew (the boys are all dressed alike) finds time to chairman Public Relations for Lombardy Branch of Children's Hospital of the East Bay, is an active member of Orinda Art Center and co-chairmaned the Art Center's first Masque Ball. She is also a sponsor of Friends of the Orinda Library. The boys are lucky to have their grandparents, the Lloyd Rasmussens, nearby on Charles Hill Road as well as their paternal grandmother, Mrs. W. J. (Hazel) Field, who lives on Linda Vista in Orinda. The Fields' contemporary showplace with its pool and panoramic view has been the setting for some of suburbia's most special parties.

CAMELLIAS abounded last weekend during the annual Camellia Show at the Walnut Creek Recreation Center. Shown are Mrs. Milton Bell, flower show judge, and Mrs. Harold Paige, flower arrangements chairman, with a snapdragon and camellia arrangement. Sun photo by Jim Dodge.

Services for Crash Victim

Funeral services were held Monday in Walnut Creek for Mrs. Brenda Lou Ashlund, 24, Moraga woman killed in a freak accident here last week.

Mrs. Ashlund, who lived at 1007 Larch Avenue, leaves a son, Wesley D. Ashlund, her parents, Mr. and Mrs. Floyd Bieri, and a brother, Robert Bieri of Moraga. Her grandparents in Illinois and Indiana are also survivors.

Also dead in the crash was Edward I. Gardner, who was involved in a hit-run accident five minutes before colliding head-on with Mrs. Ashlund's car.

Highway Patrol officers found a small arsenal in Gardner's wrecked car. The officers said that paint smears on the vehicle

matched paint from Mrs. Joyce McIntyre's auto, which had been sideswiped on Glorietta Boulevard, just off Moraga Way, where the fatal crack-up occurred.

Mrs. McIntyre's daughter, Francesca, 15, a passenger in her mother's car, received minor injuries in the hit-run.

Gardner's car, northbound crossed over the double line and smashed head-on into a southbound car driven by Mrs. Ashlund's father, Floyd Bieri, 49, of the Moraga address, according to the highway patrolman.

A third car, driven by Michael Hedit, 20, 50 Brookside Road, Orinda, struck the Bieri vehicle.

Miramonte Mirror

Lots Doing Over Weekend For Matadors and Doras

Friday night the Dianas had a slumber party at Suzanne Portello's house to make decorations and programs for their fashion show tomorrow afternoon. Jill Taylor, Sue Starkman, Ceci Kettle, Sandy Poulsen, Linda Sears, Bonnie Palmer, Pat Kelly and Joan Ale finished their work at about five in the morning. When almost everyone got to sleep sneaky Suzanne, Pat and Linda decorated the sleeping girls with water colors, shoe polish and tooth-paste so that they looked just like "Indians."

Brad Harlan had a small party Saturday night. Those enjoying potato chips and Ray Charles albums were Dede Davis, Mary Baker, Ron Jouthas, Judy Hopkins, Mike Rolley, Sue Pol-lazek, Jake Jacobsen, Nancy Henry, Gary Holtwick, Toni Ayres, Rick Merriam, Sue Nattress and Paul McChesney.

The movie around now that has sent everyone that has seen it into hysterics is "Lover Come Back" with Rock Hudson and Doris Day. Some of the many couples receiving sideaches from this one are Wendy Wilcox and Dick Miller, Barbie Brush and Clint DeWitt, Pam Pearson and John Reilly, Dave Parish and Jane White, Linda Hofchikiss and Denny Lucas. Don't miss it!

Another big attraction this weekend were the drags at Fremont. There are some real thrills in watching a dragster do 186 in the quarter according to Jim Rose, Wayne Mauzey, Tom Reed, George Paul, Hall Klement, Dan DeGrassi, George Hauer, Dave Parish, Bob Lyman, Hap Parks and Denny Lucas.

The Bobbie's spaghetti dinner held at Sleepy Hollow School Wednesday night turned out to be quite a success. Half Miramonte's girls seemed to be there gobbling down seconds of spaghetti, salad and jello. Bonnie Kent and Sue Hancock were no exceptions.

The masquerade dance with the theme, Venice, entertained many Miramonteans last Friday night. We hear that honors should go to Diane Moss for her terrific work on the decorations. Among the couples attending the dance were Diane and Larry Tower, Jackie Villata and Skip Spaich, Steve Brush and Mary Bartlett, Rick Outman and Cindy Gravelle, Fran Obreck and Dave Lackey, Candy Bray and Jay Grilli, Karen Nattress and Doug Dermitt, Kit Kersch and Karen Kahl, Sandy Lee and Bob Lee.

Steve Miller, Grigg DeWitt and Dwight Thompson (with his freezing feet) went up to the Millers' cabin at Alta for a weekend of skiing. They got in one run at Sugar Bowl before the snow beat them out.

Brad Harlan, Tom Gaffaney and Steve Baker were snowed in and had to miss a few days of school. . . poor guys! Newton Hildebrand and Jean Gleason made it out of the mountains just before the blizzards really hit, but they got in some good skiing.

If this Spring (?) mud has been getting your car down . . . don't forget the Alanthus car wash at Mike Lynn's March 24.

Cheers go to the bedraggled skinny people who gave up eating in between meals for Lent.

Come in soon to see the completely enlarged and remodeled Ogden's in the Village. They now occupy the whole length of stores.

Many Miramonte boys are now hard at work practicing for spring sports: baseball, swimming, golf and tennis. Come out to lead the boys on to victory.

The Miramonte cagers clobbered the Alhambra team 59 to 46 to finish up the basketball season in victory March 2. The boys played a terrific game and it seems that dead-eye Nickerson just couldn't miss a basket. When the game was over the team stood in front of the bleachers as the students sang the Alma Mater. Tears were seen in the eyes of a few senior girls as they left their "very last Miramonte game."

The pom pon girls and cheerleaders celebrated their last game by having a sparerib dinner at the Hickory Pit in Berkeley before the game. Dean Munroe livened up the conversation with a few unforgettable sickly jokes.

After the game many Miramonteans came to twist and twitch at the dance sponsored by the Parents Club. Among those enjoying themselves were Bill Cooper, Crissy Voll, Doug Dermitt, Karen Kahl, Greg Le Grand, Chris Campbell, Dick Blair, Ritch Adair, Skip Spaich, Linda Jones, Mike McQuaid, Nancy Englehard, Bruce Nickerson, Sue Brown, Jackie Edenhelm, Steve Perry, John Lackey, Nancy Bregar, Kent Miller, Mary Bartlett, Steve Brush and many others.

The Sub-Deb Fashion Show at the Claremont recently with models from Ailanthus and other Children's Hospital branches entertained many Miramonte girls. Some of them were Debbie Williams, Gayle Baker, Chris Campbell, Carol Meyer, Sharon Heubschwerelen, Jane White, Pam Pearson, Kay Williams, Sue Nattress and Barb Bagley.

Don't forget to get your tickets for the Diana fashion show to be held at the Lake Merritt Hotel tomorrow afternoon.

Jackie Villata had a party recently for some Orinda teens. Some of those attending were Tom Gaffaney, Wendy Minor, Paul Locklin, Mimi Loomis, Randy Cori, Joe Moore, Barb Bagley, Byrnce Thraikill, Brad Harlan, Barbie Brush, Dwight Thompson, Cherri Romer, Cecil Crutchfield, Linda Jones, Elizabeth Davidson, Dan Winthers, Paul Barrett, Don Navone and Sue Hancock.

Hester Harris, Mick Kazaar, Bonnie Kent and Sam De Franco went to the city to see Westside Story recently. Bonnie's sniffs towards the end of the movie really seemed to bother the lady in front of her.

Pat Kelly and Linda Sears braved the blizzards with the Kelly family and went skiing at Dodge Ridge recently.

A few unlucky seniors spent Saturday afternoon taking Achievement tests. They were Mary Baker, Karen Voll, Kathy Beconcini, Sherry Odenthal, Grigg DeWitt and Steve Miller.

By the way, Steve Miller just acquired a Beautiful '56 metallic red Ford.

Career night seemed to inspire some Miramonte seniors with some new ideas. Ron Jouthas and Paul McChesney have decided to become airline stewardesses. Nancy Goebel, Carl Gilmore and Marcia Bramkamp are going to be Highway Patrolmen!

"We regret that our lease has been canceled on a 24-hour notice by the Shell Oil Company," they said. A new man from Shell Oil Company's sales force has taken over the station's management.

Mmes. Patch, Knudsen, Fry Win at Orinda

Mesdames Peter Patch, A. A. Knudsen and C. Fry were the individual class winners at the Orinda Country Club Ladies' Day Stroke Play tournament last Thursday afternoon.

Mrs. Patch shot a 79-5-74 to win in Class A. Mrs. J. P. Thomas was second with an 89-13-76. Mrs. L. N. Mitchell (92-15-77) and Mrs. W. L. Calhoun (95-18-77) tied for third place.

In Class B, Mrs. Knudsen's 98-19-79 gave her first place with three strokes to spare. Mrs. A. H. Ayres (103-21-82) and Mrs. W. E. Kilgo (106-24-82) tied for second place.

Mrs. Fry shot a 117-35-82 to capture honors in Class C. Three ladies—Mrs. H. S. Worthington, Mrs. J. B. Downs and Mrs. E. S. Maloney—tied for second place with net 855.

Assurance of unlimited abundance is presented in the Bible readings including this verse from Psalm 84: "For the Lord God is a sun and shield; the Lord will give grace and glory; no good thing will He withhold from them that walk uprightly. O Lord of hosts, blessed is the man that trusteth in thee."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy this statement will be read (pg. 301): "As God is substance and man is the divine image and likeness, man should wish for, and in reality has, only the substance of good, the substance of spirit, not matter."

The Golden Text is from I Corinthians (2): "Eye hath not seen, nor ear heard, neither have entered into the heart of man, the things which God hath prepared for them that love Him. But God hath revealed them unto us by His Spirit."

3-County Rapid Transit System 'OK' Says Coll

Supervisor Tom Coll re-emphasized this week the need for a rapid transit system and said that he would probably support a three-county Bay Area Rapid Transit System.

He said, however, that he would like to examine the financial feasibility of the plan before committing himself.

This comment came after Bay Area Rapid Transit directors indicated that they would probably put a three-county district on the ballot in November.

"However, the board (of supervisors) will have another chance to accept or reject the proposal. If it is financially feasible I would certainly like to see it accepted."

OUT OF RETIREMENT comes Desmond Tester, center, former county administrator, who has accepted the chairmanship of the "Citizens Committee of 500 for Park Bonds," which will campaign for passage of a \$7,500,000 bond issue for acquisition and development of nine county park sites. Left to right are Joseph Clark, chairman of the County Park and Recreation Commission, Teeter and Duane Mattison, county park and recreation director.

Four-County Transit Plan Is Fading Fast

The Bay Area Rapid Transit District has virtually given up all hope of putting a four-county rapid transit network on the November ballot.

The setback occurred when a panel of bridge engineers, hired by the Golden Gate Bridge and Highway District to settle a dispute over use of the Golden Gate Bridge for transit trains, proposed a long two-part study on the feasibility of the span for transit purposes.

FIRST THE experts would conduct special tests on the bridge's cables to establish whether the wires have become "fatigued" during the past 25 years.

Then, if the bridge were adjudged sturdy, the engineers propose a long and expensive study to determine what type of transit system would place the least strain on the span.

But the transit district officials feel that it is imperative that a bond measure be presented in November for two reasons.

First, cost of the network will rise considerably if the State Division of Highways proceeds with the Grove-Shafter Freeway without providing for a transit center strip.

Such bids, together with bidder's check, must be enclosed in a sealed envelope addressed to the Board of Supervisors of said County, and endorsed "Proposal for School Bonds of Moraga School District, of Contra Costa County."

(In addition bidders are requested (but not required) to supply an estimate of the total net interest cost to the District on the basis of their respective bids, which shall be considered as informative only and not binding on either the bidder or the District. Checks of the unsuccessful bidders will be returned by the County Clerk by mail, upon the award of the bonds. No interest will be paid upon deposit made by the successful bidder.

There is no controversy or litigation pending or threatened concerning the validity of the above issue, the corporate existence of said District, or the title of the officers to their respective offices and the Board of Supervisors will deliver to the successful bidder a no-litigation certificate certifying to the foregoing as of and at the time of the delivery of the bonds.

Boy Avoids Bus, Hits Parked Car

Swerving to avoid a school bus, Charles William Reid, 15, of 4 Diablo View, Orinda, received minor injuries when the car he was driving collided with a parked vehicle on Charles Hill Road. The accident occurred about 400 feet south of Tunnel Road Monday afternoon at 3:05.

A passenger, Miss Susan J. Reid, 20, of the same address, was also slightly injured. Both she and Reid went to their own doctor for treatment.

The parked car belonged to Elbert M. Vail, 8 Charles Hill Road, Orinda. A complaint will be filed against him for parking in a "no parking" area.

Reid was driving southbound at approximately 10 to 15 miles an hour and thought he would have room to pass a school bus going northbound. He said that the bus was one-foot over the center line and he couldn't avoid hitting the right front fender of Vail's car. The bus was not hit.

'Orindans Abroad' Group Ready to Go, Go, Go!

With only six more openings left to fill their tour, a group of students from Miramonte, Acalanes and Mt. Diablo whose tour is called "Orindans Abroad" are raring to get started on their experiment in international living.

SPEARHEADED by Don Jesse of the Pine Grove faculty, the group will live as foreign students do abroad when on their vacations in pensions and hostels. The tour will encompass England, Holland, Germany, Switzerland, Austria, Italy, Spain and France and will approximate routes used by Crusaders and will expose members to the scenes of Medieval and Renaissance history, giving the linguists in the group a chance to apply their French, German, Spanish and Italian training.

"Orindans Abroad" will leave by bus for Washington, D.C., and New York around June 21 and will sail on the S.S. Aurelia, an Italian liner hired by the Council for Student Travel. Upon arrival in England, they will spend sixty days on tour of Europe, flying back from Paris in early September.

MOST of the participants in this educational experiment are earning their own money for expenses in Europe. Jill Taylor, Judy Hopkins, Janette Miller and Sally Farnum are anxiously awaiting phone calls for babysitting, yard work, house work, car washing and ironing jobs for various members of the tour group.

Call Jesse at CL 4-5843 at night or on week-ends for further information.

With dozens of books on travel and history open on many a local table and with plots and plans to stretch their "student living budget," these adventurers are keeping their eyes on the news and their noses to the grindstone, realizing that they will be representing one of the youngest student groups in international travel in 1962.

AMONG those who will share this summer's experience abroad will be Mike and Barry Dauphinee, Bill and Doug Hamilton, Greg Fields, Sandy La Rue, Toni Ayres, Judy Hopkins, Ron Bailey, Mike Henning, Sandy Buehler, Jane Seaman, Randy Smith, Walter Palmer, Pat Hawkins, Jean Gleason, Janette Miller, Jill Taylor, Sally Farnum, Narsi Eberhardt, Karen Vell, all of Miramonte; Phil Simon and Pat MacPherson of Acalanes; and Phil Greer and Casey Mehran of Mt. Diablo.

Presto Shows the new look in telephone numbers

All-numeral phone numbers are coming to Contra Costa County

The listings in the August, 1962, Contra Costa County telephone directory will have all-numeral phone numbers. Numerals are being substituted for letters in everyone's number. The numerals correspond to the same dial openings as the letters they replace, so dialing itself will be unchanged. The conversion to the new type of numbers is taking place gradually:

- Anyone getting telephone service in Contra Costa County for the first time, moving to a new address, or getting a new phone number, is now being given an all-numeral number.
- All other Contra Costa phones will change to the new type of numbers during the next few months.

By mid-July, everyone will have received new dial number cards for his phone and Information Operators will have the new listings. During this conversion, Information Operators may give out some Contra Costa telephone numbers with letters and others with numerals. Since there is no change in dialing, however, calls will go through dialed either way.

These new phone numbers are part of a new nation-wide numbering system called All Number Calling. It's needed to keep ahead of America's growth. Twenty years ago there were less than 23 million phones in the U.S. Right now there are more than 74 million, and by 1975 there may be more than 160 million phones. This growth is rapidly exhausting letter combinations for usable prefix names. By changing to an All-Number system, enough numbers will be available to keep up with telephone growth in Contra Costa County and the rest of the Nation.

Note: The Area Code shown on the number card above is for people calling you from outside your area.

Rapid Transit Size Shrinks -- Outlook Too!

The case of the vanishing rapid transit district . . . part one!

Remember, a long time ago, when we started out rosy rapid transit plans with a nine county Bay Area Rapid Transit District?

Well, that same district shrank to a seven county district, then a five county district, recently a four county district, and now we are down to three counties.

And this poses some serious problems.

Although technically we are still part of a four-county district, the BARTD directors have asked Marin County to withdraw because of difficulties with the Golden Gate Bridge span for transit use.

THIS MEANS that a new three county proposal will be placed before the board of supervisors of Alameda, Contra Costa and San Francisco Counties with the aim of getting the measure on the November ballot for a vote of the people.

There are several serious questions which must be answered before the problem is eventually solved.

The major problem, of course, is financing. Originally the billion dollar cost of the district was to be spread over nine counties. Now, although it is only a three county system, the cost remains nearly as high—some estimated three-quarters of a billion dollars.

This could impose a serious economic drain on the residents of the three counties.

ONE POSSIBLE answer to this, of course, is federal aid. But there are some objections to this, too.

We must make sure that we, as taxpayers—and that goes for the residents of the other two counties as well—can bear the burden of establishing such a district.

The boards of supervisors will have to take a long, close look at the new financial feasibility report of the dis-

trict before they approve the new plan, and we, as voters will have to do so too if the measure is placed on the November ballot.

We as a county, and as taxpayers, have supported the idea of rapid transit since its inception. The Sun has editorially supported it.

We are only too aware that the need is still with us, and that congestion is going to get worse as the years progress and our population increases.

We are not saying that we should not join a three county district, only that it requires careful consideration before the decision can be made.

THERE ARE other questions. For example, although it is not rapid transit, there would be the possibility of re-joining the Alameda-Contra Costa Transit District as an interim measure until true rapid transit facilities could be worked out.

And there is the consideration of what we stand to gain by joining even a three county district, if we can stand to foot the bill. The majority of the money (excluding the trans-bay tube which will be paid for from bridge revenues) will be spent in downtown San Francisco and Oakland where expensive subway systems must be built.

WE WOULD be contributing to payment for these facilities. On the other hand, the much greater populations of the other two counties would be bearing the brunt of the total cost, and we would be getting a \$10 million tunnel all to ourselves.

In this sense, the heavier populated areas would be helping us.

The ultimate decision will be made by each of us . . . when, and if, the measure is put on the ballot. At this time we do not have the answers, and as facts and figures on the three county district become available, it will be necessary for each of us to study the matter so that we can vote intelligently.

employees receive some pretty good benefits, but how about employees of smaller industries?

Also, although it would probably be possible to find one example of an industry which grants each of the benefits sought by the employees, is there any one industry which does all of these things?

THIS IS NOT meant to reflect upon our county employees, because by and large they are hard working and dedicated people.

But for those of us who are interested in taxes (either as residents or as county officials) it would be a good idea to investigate the whole situation.

Certainly we wish to be fair to our employees, and to pay them equitable wages, and offer fair benefits. Otherwise, we will have difficulty in attracting the calibre of individual we want in our county offices.

But on the other hand, we must pay the bill.

Therefore, it would seem that good luck would be in order.

CITY IN A POCKET

Dear Editor:

I have written you previously in regard to the incorporation of Lafayette—and have cited as an example of such a city the City of Emeryville.

The basic fear is that with such a small resident population, much of which will reside in rental apartments and thus probably will not enter into the city affairs (assuming they even reside here long enough to have enough interest to register to vote), a small group of active people could control the community.

Frankly, I feel that 50 well-coordinated regular voters could control the City of Lafayette.

I also feel that we would experience the same situation

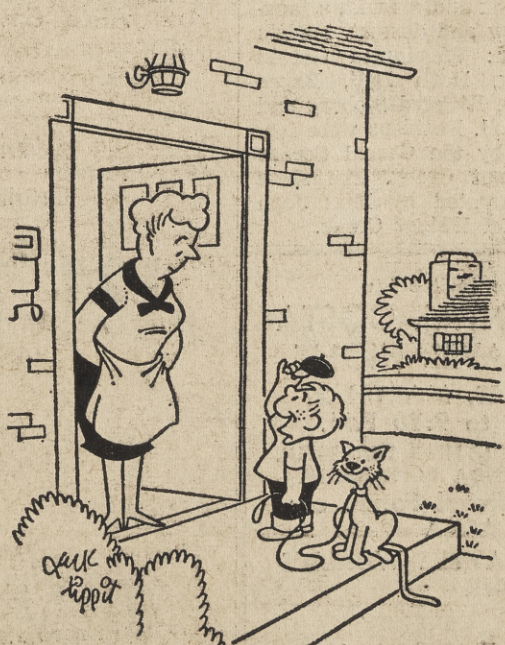

as Emeryville—as described in the March 12th Oakland Tribune.

Emeryville has been incorporated for 68 years, during which time they had just three mayors—Walter Christie served the first 40 years, Al J. Lacoste served 26 of the last 28 years (George Haruff served two years—1957-8).

This is probably the extreme of putting an entire city in your back pocket—but this did happen 15 miles from here. This is not theory—it is fact.

Does Lafayette want to look forward to a group of 50 to 100 people controlling it? Would it be healthy to have just two mayors during the next 66 years?

ENDORSEMENT

Dear Editor:

As an individual citizen and a delegate to the Contra Costa Democratic Clubs' endorsing convention of March 3, I want to thank The Sun for its excellent coverage of that event.

Behind the hoopla and excitement of the convention itself lies a story, one with a history in which your readers may be interested.

The club movement was begun in California in the early fifties as a means of rejuvenating grass roots interest in and influence on Democratic politics. The party had become a moribund affair, as had been made clear by the presidential campaign of 1948. With the stimulus of the Kefauver-Stevenson primary campaigns in the spring of '52 and Stevenson's subsequent presidential campaign, hundreds of clubs sprang up.

THE MEMBERSHIP consisted then, as it does now, of interested citizens who were and are political amateurs.

The club members are the people who feel strongly enough about the need to have a broad base of participation to devote their time, effort and money to it. It is they who do the unglamorous work of licking stamps, addressing envelopes, raising and donating money and the like.

Their rewards are difficult to define or measure. Perhaps the most important outcome is the satisfaction that "eternal vigilance" is being provided. From a material point of view, the balance for the individual is always rendered in red ink.

Clubs are open to all registered Democrats; I assume the same is true of Republican clubs. Any Democrat who was interested enough to pay the \$2 annual dues could have joined a club and been a delegate to the Concord convention, provided he joined prior to February 10.

Many clubs in the county had their ranks swelled in the month or two preceding the convention.

THE LAFAYETTE Democratic Club had the largest delegation, 65, at the convention, many of whom had joined but recently.

Returning to the historical perspective, when the club movement came into being as a real force in this state, cross filing was then legal.

Believing in party responsibility and facing a need to identify unequivocally its Democratic candidates as such, the pre-primary endorsing conventions were created.

These gatherings are not aimed at usurping the right of the total electorate to choose at the primary whomever it wishes to represent the Democratic Party.

AS EVIDENCE of the clubs' adherence to this democratic process, at least in this county, candidates seeking endorsement have never been asked or required to abide by the majority will of the conventions.

Rather, individuals in the clubs who believe in the value of party regularity and unity extend a pledge to the endorsed candidate. This pledge is simply a commitment to undertake the work a candidate conducting a political campaign needs if he is to have any chance of success.

One may ask why the pre-primary endorsing conventions are continued now that cross filing has been eliminated in California.

They continue to be valuable and desirable, however, for a number of reasons.

First, the extensive campaigning before the convention gives the aspirants a chance to study the issues, acquaint themselves with the ideas and concerns of the club members, and polish their public appearance techniques.

SECOND, the club members represent in many ways a typical segment of the electorate.

Their response to the candidates, consequently, gives the campaigners an idea of their strengths and weaknesses.

Were a man to lack "appeal" or prove incapable of getting his ideas across convincingly in the give-and-take of the small group meetings that are held, he would have a clearer idea of his drawing power.

Third, the mere fact that a contest is waged brings out new people and renewed interest in the old.

THE RESPECTIVE candidate's adherents get a real taste of politics, with the educational value that goes with it.

As your article last week pointed out, there was a hot, three-way contest for the endorsement for the 14th congressional race. All three men campaigned hard and well.

Democracy was served well by them and the 615 citizens who invested their time in last Saturday's convention.

Under The Sun Saw Shocking Program And It May Save a Life

By HERMAN SILVERMAN

A few nights ago Danny, my 13 year old, and I went to a boy scout meeting. We arrived feeling quite gay. We left the meeting solemn.

Why?

California Highway Patrolman Herbert Leslie showed the troop slides of automobile accidents. Officer Leslie calls his program a "shocker." And we were shocked!

The audience learned more automobile safety in a half hour than any ten-hour safety course.

How to save your neck . . .

The most important thing we learned is that many people, who are killed in the accidents, would be alive today—**IF THEY HAD WORN SAFETY BELTS.** He explained why doors of cars fly open and how safety belts solve the problem.

If you don't like to be preached at, stop reading this column right now, cause I'm climbing on Officer Leslie's soap box.

Do you have a radio in your car?

Ninety-seven per cent of the autos have radios. But, according to the patrolman, only five per cent have seat belts and, of those, only two per cent wear them.

A seat belt costs \$6.50 and up. Officer Leslie advises to buy a good one, because the better ones are easier to use . . . and thus you will use them.

An important question . . .

Do I practice what I preach?

Yes and no.

You might remember about 10 years ago I reported we installed a seat belt in the front seat. Frankly, we did not use it very much, but it did keep the kids in the back seat. If they sat in front, they had to use it.

In our present car, Eleanor had the dealer install two seat belts in front and, for some strange reason, we began using them for longer trips—even before the scout meeting.

All kinds of trips . . .

Today I use the belt for short trips as well. (Officer Leslie says that 27 per cent of all accidents occur near home.)

California Highway Patrol (office in Concord) will present this program to your group, club, school or meeting. They do not solicit but will accommodate you. Everyone should see the program. Certainly every high school should present it each year. (Some high schools—College Park and San Ramon—already do, but Officer Leslie said that he hasn't shown it to Alacanes District schools.)

I won't tell you what you'll see. I will say that, if you see the program, you too will use seat belts.

Letters to The Editor

WHY INCORPORATE?

In answer to the question as to "What effect will the incorporation of the central Lafayette area have on the residents?" I wish to point out that one tremendous advantage will be increased monies for schools. The higher the type of downtown development, the higher the tax assessment of downtown properties.

More than 50 per cent of every tax dollar paid by a business property owner goes directly to the school program. As far as any change in the county tax rate, I suggest a reading of the booklet, "Annexation? Incorporation?" by Stanley Scott and Lewis Keller, bureau of public administration, University of California.

Even though a portion of the sales tax monies are retained by a city, the county is relieved of many responsibilities and expenses. In most cases, the county's overall financial situation is improved.

As to who will run the city, a list is now being compiled of civic-conscious residents who will be urged to run for the city council. There are a number of well-qualified persons living within the proposed boundaries.

There is no sinister motive to incorporation of the central district. It just happens to be a democratic process provided by our laws to secure local control to bring about the many needed improvements for the heart of the community.

It took the county 50 years or so to finally get around (last November) to acquire any off-street parking for apartment houses in the business district. There is still no off-street parking required for new store buildings. Intersecting streets are narrow, traffic circulation is lousy. No sidewalks or curbs and gutters throughout half the town.

I firmly believe that through incorporation, the downtown area can be developed in a way that the residents will be proud of. A nucleus of service will be established and in time it is likely many areas will want to annex it.

TED BARCELON

McCUNN

Dear Editor:

It was Superintendent McCunn's choice not to appear before the probe panels.

He said in his letter to the board in which he declined to appear that "I have every confidence that this board will strengthen its role as a legislative body and hand back to the superintendent the reins of school administration."

He was asking the board to disregard the fact that the administration of a public school is public business.

F. G. SULLIVAN.

MORE SAFETY

Dear Editor:

We wish to thank you for your recent excellent articles on gun safety. The members of our club who instruct, namely, Jim Monk and Bill Collins of Pleasant Hill and Chuck Wentzel of Walnut Creek, take great pride in teaching firearm safety.

However, the title, "Hunter Safety Course," may be misleading. If a boy or girl has no interest in the sport of hunting but simply enjoys guns and shooting, and what youngster doesn't, the course is a "must."

In addition to learning respect and care of firearms the course deals with the California and federal laws pertaining to transportation, shooting, and possession.

Such subjects as being lost in the woods, caution with fire, care of our forests, and proper equipment are gone into.

We have found that many parents, either through fear or ignorance of firearms, attempt to shelter a child who displays a natural curiosity for guns. This "sheltering" tends only to make him more curious and more susceptible to an accident.

As a Sportsman's Club, one of our goals is to make hunting, shooting, fishing and other outdoor sports an enjoyable and safe form of recreation.

In Order to Be Fair, We Should Take a Look..

We note with interest that the county employees are seeking a 28-cent-per-hour pay increase this year, along with some rather intriguing fringe benefits, according to Edgar K. Irwin, manager of Local 1675, the Contra Costa County Employees Association.

Among the benefits sought are time and a half for overtime, higher pay for work in a higher position, full payment of the health insurance premium for employees and their dependents, half pay for unused sick leave upon termination of employment and Friday off when a holiday falls upon a Saturday.

NOW, WE ARE NOT saying that these requests are out of line, but we do have some questions to ask.

Irwin, for instance, says that the requests are based on the fact that county employees have fallen far behind their counterparts in industry and in many public jurisdictions.

This may be so, but we are not entirely convinced.

The Staff Corner A Real Fight..

By GEORGE COLBURN

I watched an interesting fight this week.

It was between a group of people supporting a special interest and a band of homeowners trying to "protect" their community from something they thought was bad.

As I said, it was interesting.

To the small group of homeowners who were able to show up in Martinez for the hearing before the Board of Supervisors, there were several disappointments.

FIRST of all, the hearing time of 3 p.m. was restrictive to most working men. The men who were there were taking time off from their jobs—but they felt it was necessary.

Secondly, they were being opposed by good lawyers and big money. Supervisor Nielsen commented that the board was flattered by the appearance of two lawyers for the proponents.

Thirdly, the lawyers, no doubt encouraged by their employer, tried to make a grandstand show to impress the supervisors with the number of people in the audience who were in favor of their project. To the disbelief of many, more than half of the filled spectator area stood up. The lawyer had preceded his "showboating" by saying he rarely asked for the opinion from the spectators. However, he pointed out, to refute the rumors, that said "everyone" was opposed to the project, he would show the supervisors how the "people" really felt.

However, Supervisor Nielsen didn't bat an eye at the display and asked without hesitation how many who stood had real estate interests, worked

for developers or were real estate salesmen. Almost to a number, the same group stood up again as the other side of the room murmured their approval. One thing was proved by the second vote—most of the group was honest.

There were speakers in favor of the project—two of them—but the supervisors knocked them down a peg when their statements got a little too general. The homeowners followed the arguments for the project with arguments against the project.

THEY DID quite well in a shorter amount of time. Their points were made over snickering and occasional side remarks from the audience on the "other side."

It didn't affect them. They had battled against special interests before—and this time they felt the fight was the most important one they had ever been in.

The clapping of hands and occasional cheers came from the homeowners' side when a good point was made.

For persons who do this kind of work only in the interest of the community and as a sidelight from their regular jobs, I'd say they came out even in the pro-con arguments.

I KNOW if I was a stranger to the dispute, I wouldn't know what to do. I learned a thing or two, as well.

When there's an aroused community to overcome, you've got a big job. However, big money makes a rough opponent.

The fight isn't over yet—and I've a feeling it will continue to be a bitter one.

Business Women's Club To Aid Therapy Center

A large check will be presented to Mrs. Juanita Benoy, administrator of the Mt. Diablo Therapy Center, by the Lafayette Business and Professional Women's Club tomorrow.

Mrs. Alice O. Cook, president, will make the presentation at a luncheon at the Therapy Center Terrace. The gift, which is to be used for the training of physical therapists, was raised through dances, rummage sales, and potluck dinners held by the business and professional women.

Over 25 members of the group will attend the luncheon. Honored guests will include Roberta Korb of Modesto and Mrs. Cleo Elliott, past president of the Bay Valley District of Business and Professional Women.

Exciting beach and pool wear will highlight the Monday fashion luncheon at the terrace. Round-the-clock styles

from the Emporium in Lafayette will be shown at noon and again at 1 p.m.

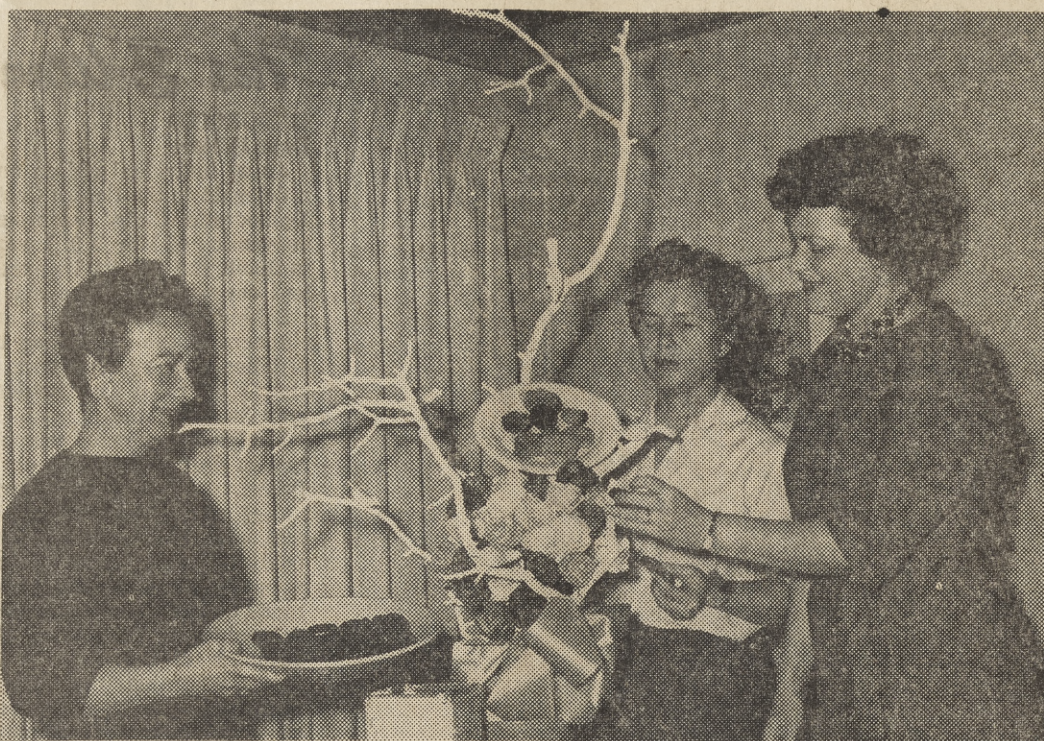

Mrs. Donald F. Smith of Lafayette and Mrs. William Dancka of Orinda will coordinate the showing.

Models will include the Mesdames Carl Marino, Donald H. Schultz and James Souden, all members of the Cardinal Unit of the Mt. Diablo Therapy Center.

The terrace, which is located at 1475 East Newell Avenue in Walnut Creek, serves gourmet luncheons daily, except Sunday.

Individual or group reservations may be obtained by calling YE 5-0121.

Members of the 17 units of the Mt. Diablo Therapy Center serve as volunteer waitresses and kitchen assistants. All proceeds from the tearoom are donated to the therapy center.

Spring Sprung at Tea

OF FLAMINGOS FLOWERS, FASHIONS

By JANE PUTNAM

Although spring is not officially sprung until next Wednesday, it was very much in evidence at the ninth annual floral and fashion tea given by the Flamingo Unit of the Mt. Diablo Therapy Center last Wednesday. The Diablo Country Club was filled with flowers and fashions on the kind of a day that has made Contra Costa famous!

Guests were greeted by huge pink bunnies in a room liberally dotted with camellias. The theme of the tea was "Prelude to Spring." However, Mrs. William J. Ebke of Walnut Creek, unit president and general chairman for the event, and her co-workers, went one step further and sprung spring itself.

Flower arrangements and fashions were never displayed to better advantage. The grand sweepstakes winner will not be announced until all the votes are in. Judges Mesdames Clifford Smith, Edward C. Counter, Jr. and Dora Munster had a difficult time deciding upon the winning arrangements in each of the three categories. They were:

"Meditations" (religious) — Flicker Unit of MDTC, Mrs. Julian Ramelli of Walnut Creek, arranger — madonna, driftwood, white roses.

"Ike-bona" (oriental) — Diablo Nisei Women's Club, Mrs. K. Tahira of Concord, arranger — shoji screen, earth-

enware bowl on bamboo mats, driftwood, variegated tulips and whips of willow branches.

"Spring Sonata" (musical) — Montclair Women's Club, Mrs. Marshall E. Boyd of Lafayette, arranger — pink camellias, blossoms, pink figurine.

Three white flower carts decorated the tea tables. Mrs. Edward Lazzareschi of Walnut Creek seems to outdo her efforts on this score each year. One cart held pink posies: pink chrysanthemums, glads, heather, and purple violets for accent. One cart held white carnations and glads. And one brimmed with yellow snaps, daffodils and blue iris.

Models at the fashion show were as lovely in their way as the flowers. They included:

Mrs. Cecil Hawkins of Orinda, Orioles; Mrs. Frank Wick of Lafayette, Swallows; Mrs. Allan Griffin of Walnut Creek, Linnet Juniors; Mrs. Harold Witbeck of Lafayette, Larks; Mrs. Elbert Wayne of Orinda, Tanagers; Mrs. Charles Rodier of Lafayette, Towhees; Mrs. Gil Meacham of Walnut Creek, Hummingbirds; Mrs. W. H. Knight of Lafayette, Cardinals; Mrs. Robert Patrick of Walnut Creek, Flickers and Mrs. Morley Darneal of Orinda, Linnets.

Two little girls stopped the show. Kit Bardell, daughter of Mr. and Mrs. Robert Bardell of Orinda was given a big hand in a red and white sailor suit with matching jacket. And Sharon Anderson, daughter of Mr. and Mrs. Robert Anderson of Lafayette was

adorable in a cape collar Easter dress and white sailor hat.

Mrs. Muriel Sinclair, fashion director of Joseph Magnin's, was commentator for the show. Some of the stunning JM style notes... spring suits featuring new Paris boutique models from the American collection of House of Dior and Chanel... The new spring color, chamais, much in evidence... Shirtwaist dresses with matching print cashmere sweaters... Knock-outs among the coats: a striking oyster suede cape with navy trim and a double-breasted reversible princess style camel's hair... New Chanderier Look in jewelry...

Formals, as always, were hits of the fashion parade... a Ceil Chapman black lace sheath with matching jacket and coral chiffon accent on dress... a Helen Rose white and cocoa brown chiffon with checkered skirt. Short. Bare-backed... A blue green beaded cotton startling cocktail type... Emerald green chiffon over blue undershirt with flowing shoulder drapes.

Heading committees for the affair were: Mrs. Donald Johnson, fashions; Mrs. Robert Kuhn and Mrs. Clarence Garibotti, refreshments; Mrs. Robert Bardell and Mrs. Jack Smith, decorations; Mrs. Frank Fee, floral arrangements; Mrs. Robert Anderson, room arrangements; Mrs. Carroll Canty, floral entries; Mrs. Walter D. Reed, tickets; Mrs. Lazzareschi, tea table decor; Mrs. Robert Olcott, programs, and Mrs. Robert L. Wilson, publicity.

Flamingos all — take a bow!

St. Patrick Rules Roost

Assisting Mrs. M. Schroeder will be Mesdames R. Alpen, R. Seay, M. Corwin and William Kruppenback.

The tea will honor the following new members: Mesdames W. C. Abfalter, Frank Allen, Sharpe Carruther, J. Elliott Dunn, Elmer G. Foster, H. W. Hewlett, R. W. Hitchings, F. Wellington Morse, R. B. Measman, B. Styles, Miles Uglard, R. W. Vanden Heuvel, C. T. Gutleben and the Misses Carrie Carte and Edith Connell.

Orinda Art Center Has Three Classes Left

Three classes remain of the very successful basic art course being offered by the Orinda Art Center. Mrs. Pat Mervin, Bay Area portrait painter, is instructor on Tuesday mornings from 9:30 a.m. to 12 noon in the educational unit of St. Stephen's Episcopal Church on Via Las Cruces in Orinda.

Mrs. Mervin, a seventh generation native Californian, was born in San Francisco, raised in Berkeley and graduated from the University of California in fine arts. She was an apprentice to Dorothy Wright Liebes, the noted artist and decorator, learning weaving and fabric design. She worked on the decor of the Royal Hawaiian Hotel, the Oak Room at the St. Francis, the Frank Lloyd Wright's home "Taliesin" in Arizona.

Always a portrait painter,

Mrs. Mervin retired from the professional world when she married Daniel Mervin, a Stanford student. However, she continued to do free lance commercial work, window decoration, ticket design and various small projects in the artistic line. When the Mervins moved to Berkeley, friends urged her to open an art class in a neighbor's garage. It was immensely successful. Her first class consisted of 11 housewives, all with children, who to this day continue their hobby in art.

Mrs. Mervin taught for one year under the adult education program in Walnut Creek, and is presently teaching for the third year at evening school in Miramonte High School. She also teaches on Monday nights at the Jewish Community Center in San Francisco.

Psst Stars in Show

Eleven o'clock tomorrow morning at Miramonte High School, Humpty Dumpty and Pandora chapters of Children's Home Society will present a puppet production of "The Nutcracker Suite."

The delightful characters in this unusual fantasy include an almost-child-size marionette, Maestro Psst, Alf and Elf, a butterfly as the Sugar Plum Fairy, and a fantastic chorus of animated flowers and woodland creatures.

Pre-performance entertainment will be supplied by Annie, a children's comedian, and an antique Spanish hurdy-gurdy will be available in the lobby for examination by the small theatregoers.

An afternoon performance will also be presented at the Oakland Auditorium Theatre the same day under the auspices of Sugar and Spice Chapter of Children's Home Society.

The production is a presentation of Maxim Gershtoff's "Children's Theatre of America," and the marionettes and their amazing actions are the handiwork of a master puppeteer, Rene Zeddejas and his two assistants.

Children's Home Society members are all working to make this affair a financial success to benefit the adoptive services of the society. Individual committee members are from Humpty Dumpty,

Mrs. Kenneth Parkhurst, chairman, and Mrs. Vernon Axelson, chairman for Pandora participation; Mmes. B. W. Kimbrough and R. G. Ingersoll, tickets; Mmes. W. D. Lyons and K. M. Junior League Has A Harmonious Gala

By MARIE MONAHAN

It was certainly a harmonious blend—the combination of the contemporary crowd that filled Jack London Hall Friday night for the Oakland Junior League's "Good Old Daze" party—and the special decor and entertainment, circa Gay Nineties, that featured the good old songs of the gaslight era.

Gaily costumed members of the league's provisional class, some as can-can girls, others as dance hall hostesses well-plumed and padded, carried out their hostess and waitress duties with saucy aplomb and proved pretty fair tray carriers as they worked musical-chair style through the throng.

Mammoth papier-mache figures flanked the stage as well as the walls and sported such sentimental old song-titles as "She Is More to Be Pityed" and "Mother Was a Lady." "On a Bicycle Built for Two" and "Just Tell Them That You Saw Me" were more old favorites printed on placards adorning the hall.

Despite its simple stark original state, the hall had been transferred into an attractive dance hall, 1890, with much of the effect due to the talents of Louise (Mrs. Johnson) Clark of Lafayette. She and her committee had centered each table's pink and red party attire with good-looking gaslight fixtures fashioned of white balloon globes at the end of long black straight stems.

The benefit party, for entertainment and dancing only, got off to a tardy past-tense start, due to the prevalence of dinner parties around town. But once the crowd settled down at the long tables and the curtain went up on The Californians on stage, everyone was captivated, both by the expert style of this large prize-winning barber shop singing group as well as the unique offerings of The Suburban Knights, The Bay Town Four and The Good-Time Washboard Three.

The latter trio, with applause from the Purple Onion and the Monkey Inn still ringing in their ears, added to their repertoire of old favorites, a new ditty dedicated to Oakland with clever lyrics and humorous mentions of Jack London Square, Lake Merritt, Kaiser Center, etc. One line got a wave of laughter—"Where did all the people go when Frisco burned? They all went to Oakland and never returned."

A cold wind ushered guests through the door. Here, Jan Angell taking tickets, her black silk frock splashed with daisies. She and husband Bob

teamed up with Zook and Ann Sutton beforehand to host a dinner party at the "The Whistle Stop," the old Broadway station which has been charmingly refurbished and converted into an attractive restaurant.

Blowing in together from the Angell's party were Betty and George Hall of Sleepy Hollow, Sis and Jeff Larkin. Jane Smoot wrapped in a red coat waiting for her architect husband. Bud and Janet Yager, the Rich Stampeys (Cynthia with a low bow at the side of her bouffant coif) and Paul and Nancy Mouser—Paul stopping to smooth out the length of red carpet which had been lumped up at the onslaught of hurrying late arrivals.

In from Orinda were Jackie and Bill Robinson, Caroline Havre in a beautiful very bare floral print on a white background. Peg & Chuck Beckett, the Ray Smiths, Barbara and Heber Smith. Pretty Jody Allen wearing a black frock featuring the new look, high in front, the deep-cut V-back. She and Bill from the John Hansen's dinner party as were the Tom Fitches of Orinda, Martie and Bill Love of Happy Valley Road and Nancy and Reed Funsten and Nancy's brother Bill Rieger and his wife Gloria of Orinda.

AAUW Hears Philosophy Prof

"Philosophy—An aid to Our Busy Life" was discussed by Duane H. Berquist at the general meeting of the Orinda Branch of the American Association of University Women last Thursday in the all-purpose room of Pine Grove School.

Berquist, an instructor in philosophy at St. Mary's College, spoke on great classical philosophies that can reduce some of the common tensions in our daily lives.

Berquist was introduced by Mrs. George Corwin, program chairman of the Orinda Branch. Coffee and conversation followed the program.

Diablo Plans Income Tax Blues Party

Diablo Country Club is doing it again!

An income tax let or let-down celebration is in the planning for March 24th. This first party will be a unique one, starting off a series of interesting club activities for club members in 1962.

Chairmen Mr. and Mrs. Paul D. Fulmer are setting a precedent for this new baby. They are going all out with their committee: the Bird Saxtons, the Robert Hammonds, the Frank Perrys and the Arthur Brunkhorsts to establish this "After taxes come as you feel" party among the traditional ones of the past.

Attire? According to the mood, sympathetic guests are included.

The cocktail hour will begin at 8. Dinner and dancing by the Stardusters is scheduled for 9.

Mr. and Mrs. Fulmer's startling idea for this party will give the club members a chance to express an unanimous communal feeling for chasing away the income tax blues.

Hickory Juniors Enjoy Shipwreck

Being shipwrecked is fun when you're among friends.

So much fun that Hickory Branch junior members of Children's Hospital of the East Bay will hold their second annual "Shipwreck" dance this evening at the Montclair Recreation Center in Oakland.

Melinda Love of Orinda is decorations chairman. Leigh Disharoon of Lafayette is decorations chairman.

Tickets at \$1.75 per couple may be purchased in advance of the affair from any branch member.

Among the chaperones will be Mr. and Mrs. R. Robert Brattain and Dr. and Mrs. C. C. Chapell of Lafayette.

All earnings from the event will benefit the part-pay program at Children's Hospital of the East Bay. This program underwrites a portion of medical expenses for children from families of limited financial means.

Jr. Alliance Has Formal

Members of Junior Alliance of Lincoln Child Center gathered last Saturday evening at the University Club in Oakland for their annual formal dinner dance.

The evening's festivities commenced with two cocktail parties on the other side of the tunnel at the homes of Mr. and Mrs. Howard Milliken and Mr. and Mrs. Harold Jordan. It was an especially gay opportunity for newer members of the group to become better acquainted. They were all honored with orchid corsages.

Quite a number of Contra Costa's young matrons and husbands joined the group at the Jordan home where vacation trips were the topic of conversation.

The William Ingrams and the Kenneth Hollands of Orinda were well tanned and rested after a few weeks of fishing, swimming and sunning in Puerto Vallarta and Mexico City.

The Charles Hansens reported with enthusiasm on their recent ski trip to Mt. Rose.

Mr. and Mrs. Wallace Haglund, who have just left Montclair in favor of living in Orinda, were discussing plans for the Mayfair fashion show to be held May 3 at the Claremont Hotel. Mrs. Haglund will assist Mrs. John Crvarich with the benefit function. Unfortunately absent from the evening was the chairman of models for the show, Mrs. Lester Good and her husband.

The Richard Burns, one of the newer couples from Orinda, also missed the dance as they were in New York City.

The Donald Andersons, Edmund Cods, John Crooks and Herbert Smiths, all new to this occasion, enjoyed their debut. Other alliance couples from this area were the Messrs. and Mmes. Robert McKenzie, Edward Mehofer, James Riewert, Robert Eckhoff, Gary Du Bois, James Kaufman, Charles Andres, Paul Butler.

VALLEY ART CENTER'S tour of four homes, one studio and the center headquarters, all in Lafayette, is one of the exciting events on the social agenda for next week. Discussing plans for the "Art in the Home" tour with general chairman Mrs. Frank B. Mansfield (center) are Mrs. Tom W. Boothe Jr., co-chairman, and Mrs. John B. Ellis, whose home, 3601 Echo Spring Road, will be a tour treat.

Art Tour Wednesday

Valley Art Center's home tour with its theme "Art in the Home" will blend with spring's blooming art outside the home.

The Women's Board of the center promises a gala tour Wednesday from 9 a.m. to 3 p.m. Each of the five homes on display have an art exhibit appropriate to its individual decor.

Works of the following Bay Area artists will be featured: Oils — Gay Bell, Theodosia Gardiner, Doug Gauntt, Frank Gilmore, Earl Pierce, Jessie Thomason and Buk Ulich; egg tempera miniatures — Sylvia Fine; sculptures — Spero Anargyros, Ruth Cravath, Martin Matel and Henri Marie Rose; mosaics and sculpture — Florence Swift; mosaics — Jean Hall and Ruth Howard; ceramics — Mikki Creor; pottery — Luebell Deutcher, Ron Hotek and Tony Prieto.

Signs will designate parking on Reliez Valley Road where there will be a station wagon shuttle service to the homes of Dr. and Mrs. John

Ellis, 3601 Echo Spring Road, and Mrs. Harold Powell, 3428 Shangri La Road.

Dr. and Mrs. Ellis' home was designed by the late Blair Warner, architect. Built by Bernice Ellis with walls of California golden granite it rises high on a knoll set in beautiful old oaks. There is a garden for every room, and each seems made for the other.

An exhibit of exquisite, diminutive paintings by Sylvia Fine will be displayed in the fan-shaped hallway around the center court. A point of high interest will be the epoxy design by Ruth Howard in the master bathroom.

In Mrs. Powell's very attractive, contemporary studio home there will be art in action as Frankie Gilmore paints in a studio room. Mrs. Lawrence Collins will do the flower arrangements.

The warm charm of the lovely traditional home of Mrs. John E. Menz, 1380 Reliez Valley Road is next. The spacious gardens here are a tribute to the art of the green thumb.

This will also be the setting for balloting to choose the Christmas card design for John Muir Hospital. Glacier Guild will staff the ballot box.

The home of Mr. and Mrs. James S. Holliday, 831 Las Trampas Road, has the grandeur of the best of yesterday blended with the best of today. This home originally built by and for Charles A. Phillip, architect, has been recently remodeled by Floyd Flood, San Francisco architect, for the Hollidays.

A happy hobby of antique hunting has resulted in a home filled with art treasures. The cabinets and tables from another century are classic as their contemporary companions in the home. They serve as a reminder that beauty is timeless.

At his studio, 1688 Springbrook Road, Robert Meinhardt will be working at his potter's wheel. He will gladly answer any questions.

The conclusion of the tour will be at the Valley Art Center, 978 Hough Street, Lafayette.

Clipped Wings Dine and Dance

was in charge of tickets for Patrick's Day theme.

Tokopah Guild contributed substantially to the tremendous success of the recent John Muir Hospital building fund campaign. The auxiliary department of the campaign was assigned to raise \$75,000. At the conclusion of the campaign \$89,400 had been raised, realizing 120 per cent of their goal.

Ah, Spring—When a Young Man's Fancy

TAKING a lusty swing in baseball practice is a member of the Miramonte baseball squad. The Matadors open their baseball season today. Baseball is just one of the sports to lure the boys away from the girls after classes in the springtime. Sun photos by Bob Yost

THE LAST of the five spring sports to open is tennis. Nevertheless Mike Saputo is practicing in earnest, despite chilly air, at Miramonte in preparation for the May matches.

ANOTHER of the spring sports is swimming. Here, Perry Mann of Miramonte practices in preparation for the Foothill League relays which will be held at his school tomorrow morning.

THE TRACK season is in full swing now with Foothill League teams opening last Friday. A full schedule is also on tap today. Here, Chris Felchlin of Miramonte shows his form in the high jump.

SHOWING his golf form is Steve Baker of Miramonte. Baker is a returning letterman and he will be a mainstay of the team that will be defending the Foothill League title won by the Mats last year.

Fourth Place Team Wins Danville Cage Crown

Martinez won the championship playoffs of the Danville Basketball League last week by defeating Aerojet, 70-62, after finishing fourth in league standings during regular season play.

Aerojet finished third during the regular season.

A special playoff to determine the league championship gave Shoe Stable that title, 52-45, over Diamond Building Materials.

The special title game played the night before the playoffs were to begin obviously affected the play of the top two teams.

MARTINEZ bounced Shoe Stable while Aerojet was eliminating Diamond the following night.

Aerojet started fast against Martinez with Bill Lloyd hitting three field goals and Herb Kiger dropping in two spectacular hook shots. However, Martinez hung on, but still trailed at the end of the first quarter, 19-17. Bob Amauric, the huge Martinez center, showing great strength under the basket, accounted for five field goals in the second quarter and enabled his team to take a 36-32 lead at the intermission.

Acalanes basketball coach Bert Barnett, the league scorer,

ing champion, sparked a splurge in the third quarter that put Martinez out in front to stay.

Barnett hit four field goals in the quarter, then added six free throws in six attempts in the final stanza and finished with 26 points for the game—high for both teams.

Doug Crippen topped Aerojet with 21 points.

Tom Nichols of DVC Named to All-Star Team

Tom Nichols, Diablo Valley College's sharp-shooting forward from Walnut Creek, was selected to the All Coast Conference first team.

Nichols was the second leading scorer in the conference this past season as he averaged 18 points a game.

Sam Coston of the Vikings gained a second team berth and Gerry Sheehan, the Vik's rugged rebounding center received honorable mention.

First team members were Nichols, Diablo Valley; Rapp, San Jose City College; Sims, San Jose City College; Williams, San Jose City College; and Gleason, Foothill College.

Knights Edge College Park In Golf Match

Las Lomas linksmen defeated College Park, 5½-3½, in a Monday contest at Diablo Valley Country Club.

All but two of the Knights golfers won their points in the match point-low ball contest.

Number one and number three men for Las Lomas were defeated by Don Wilson and Dave Harvey of College Park, but that was all for the Falcons from Pleasant Hill.

Mike Williamson, Las Lomas number 2 man, put down Tom Masso of College Park, and then Ted Roessler, Bill Rigney and Dave Jones, numbers 4, 5 and 6 men for the Knights, outshot Dave Bonini, Dick Scofield and Bob Dorn of College Park.

Dave Harvey of the Falcons captured medalist honors with a fine 37.

In their second match in two days, College Park bounced back to defeat the Trojans of Del Valle 4-2 at Round Hill Country Club.

College Park's number 1 man, Don Wilson, was medalist with a 40 on the par 36 nine holes. The match was the first ever participated in by Del Valle linksmen.

Falcons Win in Gymnastics; PH Is Defeated

Pleasant Hill and College Park began season competition in the Northern California Gymnastics Association last Friday.

Pleasant Hill dropped a close match to Castlemont of Oakland, 70-57, while College Park was squeezing by Oakland High, 70½ to 57½.

Dennis Hanson, "all around man" for Pleasant Hill, was largely responsible for keeping the Oakland squad from running away with the match.

He captured first place in the horizontal bar, trampoline and tumbling, and second in free exercise to account for 22 of his teams 57 points.

THE HIGHLY touted College Park gymnasts eeked out its triumph over fine competition from Oakland High.

Ken Poff and Rae Anders were the big producers for the Falcons. Poff placed first in one event, tied for first in another, and had one third place. Rae Anders captured one first place, finished second once, and had one tie for third.

Mike Bish, a ninth grader, showed well, capturing one first place and one second place.

COLLEGE PARK winners were: Horizontal bar—Mike Bish (first).

Free exercise—Ken Poff (first), Rae Anders (second), Tom Chapman (third).

Trampoline—Rae Anders (first), Scott Gardner (second), Ken Poff (third).

Still rings—Tom Chapman (first), Mike Bish (second).

Parallel bars—Wade Loofbourrow (third).

Tumbling—Ken Poff, Wade Gardner (tie for first), Rae Anders (third).

Doris Morrow Wins at WHCC

Doris Morrow won the second tournament held by the Walnut Hills Country Club Women's Golf Group with a fine gross 79. Her net score was 56.

It was the first chance the group had to play in some weeks due to the rain.

The new golf group now has forty members.

Trojans Win Opener in Baseball

Del Valle won the first varsity baseball game in the history of the three-year school, nipping Terra Linda of San Rafael, 5-4, Tuesday afternoon in Walnut Creek.

A sparkling relief job by Steve Hunt gave the Trojans the win after being down, 4-0, in the second inning.

Terra Linda jumped on starter Ray Cox for four runs in the second inning, but Del Valle came right back with three runs of its own in the bottom half of the inning.

SINGLES by Bill O'Toole and Al Blazick plus two walks gave the Trojans one run. Then, with two out, Jim Lesh lined a single to centerfield to score two more.

In the third inning, Del Valle added its final two runs when Jim Christman and Terry Nemlow collected back-to-back singles after a pair of walks.

Amador Nips Rams, 2-1

Pleasant Hill was the first local team to open its baseball season, but it was an inauspicious debut as Amador edged the Rams, 2-1, at Pleasanton last Friday. The game was called at the end of five innings because of darkness.

Pleasant Hill had actually taken a 3-2 lead in the top of the sixth, but the home team was not able to bat in their half of the inning and the score reverted to the fifth inning.

Amador scored twice in the first inning off Al Oxley without the benefit of a hit and made the runs stand up. A walk, an error and two wild pitches gave Amador the two runs.

Pleasant Hill got its only marker that counted in the fourth inning when Jack Baldassari walked with the bases loaded. Singles by catcher Jim Dunlap and right fielder Dave Gray plus an error had filled the sacks with two out.

Steve Dawkins relieved Oxley in the fourth inning and pitched two innings of scoreless ball.

Both teams had three hits. Dunlap had two singles for Pleasant Hill.

St. Mary's Wins Finale for Coach Share Second

St. Mary's College held off a University of San Francisco comeback in the last minutes to gain a 66-64 triumph and a share of second place in the West Coast Athletic Conference.

St. Mary's ended with an 8-4 record, the same as Santa Clara. The Broncos defeated St. Mary's twice during the WCAC season and in the pre-season WCAC tournament for the championship as well.

The Broncos and the Gaels also tied for the runnerup spot last year with the same 8-4 record.

HOWEVER, the 1962 WCAC champion is different. Pepperdine, 11-1, has replaced Loyola as the titlist and will represent the league in the NCAA regional tournament.

The USF game was the final one for St. Mary's head coach Jim Weaver. Weaver, completing his seventh season at St. Mary's, announced in January he would resign following the present season.

The Gaels led all the way against USF, ahead, 35-29, at the half.

The lead was stretched to 12 points in the second half, but the Dons came roaring back in the waning minutes to cut the lead to 58-56, with 2:45 to play.

ST. MARY'S then reverted to a stalling offense and with the help of eight free throws in the final minutes held on for the win.

Weaver was carried off the floor following the final buzzer by players who were jubilant that they could give him a final victory.

Guard Tom Sheridan paced the Gaels with 18 points. Steve Gray had 17 more while Kit Ruona had 14.

A crowd of 4500 watched the contest in the USF gym and the game had the typical St. Mary's-USF incidents—the most spectacular of which was the introduction of the St. Mary's cheerleaders by the band of USFers. The cheerleaders all had cleanly shaven heads.

Acalanes Swimmers Win; Knights, Wolves Routed

Foothill League swim teams opened the 1962 season last week with three non-league meets.

Acalanes was the only winner, 68-28, over Richmond.

In other meets, Berkeley thumped FAL defending champion Las Lomas, 67-28, and Livermore routed San Ramon, 71-23.

Tomorrow at 9 a.m., the FAL relays will be held at Miramonte with all five league swim teams competing in the annual event.

In the Acalanes meet, the Dons' B team also won, 54-31. Las Lomas dropped its B meet, 62-24, but San Ramon Bees won, 54-31.

The Berkeley triumph was sparked by five individual wins for five swimmers who also compete for the Aquabears. Bob Strand and Don Smith were the only winners of Las Lomas.

The Ski Line . . .

In Land of Plenty (Snow) There Are Some Gripes

By HEC HANCOCK

There is a certain uniformity these days in the ski reports filtering down from the various resort areas.

All are consistent in describing ski conditions in the most glowing of terms. The pack is more than ample, snow conditions were never better, and weather prospects appear good.

Little or nothing, is needed to improve upon the situation. This is all factually true, and I certainly have no wish to create any impression to the contrary.

However, while not wishing to appear a malcontent, I do think this is the time to temper this aura of complacency with some good old fashioned gripes.

I'm definitely of the school of thought that when the troops aren't griping, you've got big trouble on your hands. Thus I have waited through the lean months of the season until this lush time of plenty to air my views on what I could easily do without.

There are many things that leave me less than enthralled, but nothing grates on my nerves more than to see anyone in a pair of well tailored stretch pants with their ski sox on the OUTSIDE of their pants. Sox on the outside are the tell-tale evidence of the rank snow bunny.

I start jumping up and down every time I have to put snow chains on, and then have to drive many miles over near bare highway.

The guy that gets my vote for the man of extinction, is the clown that always skis out of control, and usually doesn't stop until he has wiped out a poor, unsuspecting bystander.

Candidates to be skewered by a ski pole are those people that brazenly try to crowd into the head of the ski line.

Those jokers that insist upon tramping all over my skis while waiting in line don't know it, but they're living dangerously.

I say a pox upon those resorts that insist upon describing ski conditions as fair when they are waist deep in slop or cavorting on a thin veneer of glare ice.

They should take those films of nothing but ski falls and give them the "deep six" out beyond the three-mile limit.

Tobogganing should be allowed only in the Antarctic. If people still insist on maiming themselves, at least they could be by themselves.

People that tell you they ski fine, they just can't turn, should go to the bottom of the class.

I'd exile to Cuba, every joker that walks down the wrong side of a narrow two-lane highway with skis and poles extending in everywhich direction. On second thought, if they persist in this folly, they may easily find themselves in orbit.

Last, but not least, I'd make the resort owners eat what they laughingly call snacks. Ugh.

At least I feel better with all that off my chest.

Young 'ol timers, Bill and Jane Meinheit and Steve and Ellie Brodie of Walnut Creek will attempt a comeback this weekend when they take off with their progeny for Alpine Meadows.

Youngsters, nine years old through high school age, will sign up for the Walnut Creek Junior Baseball program, this Saturday morning from 9 'til noon at the Walnut Creek Recreation Center. A second sign-up will be conducted the following Saturday.

Joe McElroy of the recreation department, stated that applications for the program have been distributed through the schools.

It was pointed out, that to be eligible for the program, a youngster should be nine years old by March 1, and be either a resident of Walnut Creek, or the Walnut Creek school district.

Teams will be announced April 28 at 9 a.m. at the recreation center.

The nine-year-olds will have their clinic March 31. Ten-year-olds meet April 11 years, April 14, and 12 years, April 21. All clinics will be conducted at Parkmead, starting at 9 a.m. and ending at noon.

Las Lomas Is Last in Sacto Cage Tourney

Las Lomas lost three straight games in the first annual Camellia City Tournament last weekend in Sacramento and ended up in last place in the eight-team field.

The Knights got off on the wrong foot in the tourney, losing to Bishop O'Dowd, 56-22. O'Dowd, one of six league champions in the tourney, went on to win the championship by defeating Franklin of Stockton, 53-51, in three overtimes.

LAS LOMAS overcame its case of nerves after the first night, but didn't quite have the manpower to pull out any wins.

Pittsburg, champion of the Contra Costa Division, scored a come-from-behind win, 57-48, and San Rafael, Marin County League champion, outlasted the Knights, 58-51.

Bob Nichols was the most consistent scorer for the Knights in the three games. He notched 10 the first night, then added 20 against Pittsburg and 13 in the San Rafael game.

Guard Greg Bertagnoli posted 8, 7 and 13 in the three games for a 31-point total.

College Park Bows to DVC

Diablo Valley College routed College Park, 12-3, in a practice baseball game played last Thursday.

The Vikings had only five hits, but used nine walks and three errors to run up their even dozen total.

The Falcons gathered three hits—a triple by Carl Arino and singles by Al Oldfather and Jerry Pollard—as DVC pitchers struck out 12.

College Park pitchers Terry Henson, Bob Ament and Mickey Sytkowski combined to strike out 10 of the Vikings.

Baseball, Track, Golf And Swimming Underway

Except for Foothill League tennis, the spring sports have all made their appearance on the local scene.

The Foothill League and Contra Costa Division track teams opened their seasons last Friday.

The swimming teams did likewise last Wednesday. The Foothill teams opened

with several non-league meets while the Contra Costa Division had its relays.

The FAL relays are set for tomorrow at Miramonte. The event gets under way at 9 a.m.

DELAID several times because of the rain, golf finally got under way this week with several non-league matches.

College Park, Pleasant Hill and Del Valle have opened the prep baseball season already.

Las Lomas, San Ramon and Miramonte play this afternoon.

College Park visits the Knights' home diamond at 3:45, while Miramonte hosts Amador and San Ramon entertains Liberty.

The Falcons were impressive in their opener against Harry Ells and have played a practice game with Diablo Valley College as well.

Wolves-Antioch Deadlock in 1st Golf Match

San Ramon opened its golf season at Antioch Monday, and the match play event ended in a 3-3 deadlock.

Pete Dozier, number one linksman for San Ramon, had a 39 for the regulation nine, and then captured his leg of the match in "sudden death" on the tenth hole.

Tim White had a fine 40, but dropped his point to Antioch's number two man who turned in a spectacular 36.

Other scores for San Ramon were: Dave Rossi, 41; Harry Steel, 41; Bob Small, 41; Bruce Lehman, 46.

Steel and Lehman were the other two point winners for the Wolves.

A non-league match with Clayton Valley was rained out last week.

The Wolves will open league play next week.

Godfrey Rolls 266 at Rheem

A 266 game high for the week at Rheem Bowl was rolled by Tim Godfrey in the Ball and Chain Mixed League.

Godfrey, bowling for the Apex Manufacturing team, had six strikes in a row, a spare and a double plus a split. His series was 618.

Bill Bradbury, bowling for the Rheem Galaxy Room, in the Rheem Classic, came in right after Godfrey with a 265 game.

DVC Golfers Lose Twice

Diablo Valley College golfers came out on the short end of the score twice Monday in the four-way match with San Mateo, the Cal Frosh team and Santa Rosa Junior College. The match was played at Contra Costa Country Club.

San Mateo, defending state junior college champion, defeated the locals, 10½-4½, while the Cal Frosh was edging DVC, 8½-6½. The Vikings overwhelmed Santa Rosa, however, 12½-2½.

Diablo now has a 6-3 record overall.

Monday, the Vikings entertain Stockton College at Contra Costa before returning to Coast Conference play Friday against Monterey Peninsula College.

The Viks are 0-1 in the league. They tied for the championship last year.

Dick Lotz of San Mateo was meadiest in the match Monday with a three over par 74.

Steve Lamphere of Lafayette was low for DVC with a 77.

Dick Shaul had a 79, Dennis Gault an 80, and Don Minon an 82 for other DVC scores. The Vikings' fifth man did not play in the match, forcing the locals to automatically give away three of the fifteen match points to their opponents.

Gardeners! Get Busy Now That

Now that the ground is starting to become pliable for gardening, the California Association of Nurserymen suggest these tips for the current week:

1. Summer blooming bulbs such as tigridias and cannas

Ground Is Dry

may still be planted. 2. Plant subtropical fruits and plants as soon as frost danger has passed.

3. Many azaleas may be found in full bloom at nurseries. The deciduous mollis azaleas may also be bought and planted out at bloom time.

4. Day lilies may be set out now for summer bloom.

5. Start thinking about potted shrubs and trees for your outdoor living area. Tubed marguerites make colorful companions when grown with this in mind.

Melvin Jory Is Promoted

Melvin L. Jory, Jr., has been appointed division manager of the newly created Contra Costa Division of Mutual Funds Associates, Inc., leading western firm specializing in mutual funds.

Guests attended the open house reception of the new office last Friday, at 2055 Mt. Diablo Boulevard, Walnut Creek.

Jory first joined the firm in 1951 as a part-time associate while managing his primary business, Jory's Flowers.

Two years ago he sold his floral business to devote full time to the fund industry and in 1961 he was appointed one of two division managers of the Oakland gest divisions of the company.

Rhododendron Bursts Into Riotous Bloom

The spectacle of a rhododendron in full bloom is one that more or less eclipses every other spectacle that tries to compete with it. However large the garden, it would be impossible to hide or minimize the voluptuous burst of color in which these wonderful shrubs erupt each spring. The earliest of our rhododendrons is blooming already in Northern California gardens. This would be the vibrant red Cornubia, which ushers spring in each year as early as February—weeks before its fellow rhododendrons begin to swell their buds. Cornubia could hold its own in competition with any other of its cousins, but coming as it does so early and by itself, it is all the more striking.

OTHER VARIETIES commonly seen in nurseries include: The familiar Pink Pearl, a veteran of so many Northern California gardens; Cynthia, another well-known member of the family with rose-pink blooms; Lord Roberts, a deep red; Beauty of Littleworth, with white flowers, speckled crimson; Purple Splendor, a vivid, deep purple rhododendron; Sappho, white with dark throats in the florets.

ANOTHER FAVORITE is the variety Fragrantissimum, with deliciously scented white blooms. It looks more like an overgrown azalea than a rhododendron, which shouldn't be surprising, since both are members of the rhododendron family.

Plant in Bloom Perfect Gift to Take Hostess

There's no lack of literature on how to be the perfect host or hostess. But seldom, if ever, are we counseled on how to be the perfect guest, which doesn't seem right, somehow. Maybe someone will write a book of etiquette for those who are invited out to dinner.

SUCH A book might well start (and end) on the subject of taking your hostess a gift—nothing expensive, but something sure to please. A plant, perhaps? Or can you suggest a more universally appreciated gift? Whether the gardens or not, any hostess has good use for a plant in bloom.

Happily enough there is never a month of the year when members of the California Association of Nurserymen can't offer plants in bloom. Showy pots of chrysanthemums are available on a year-round basis, thanks to hothouse culture. So are African violets, those ever-pleasing companions of our window shelves or greenhouses. And for more than half of every year you can find azaleas in bloom, cyclamen and gloxinias in bloom and many others. In late spring and summer, small, potted hydrangeas are the most charming of gift plants.

BLOOM ISN'T always a requisite of the perfect gift plant, however. The colorful foliage of such plants as coleus more than

makes up for the lack of bloom, as does the permanent evergreen presence of any of a dozen different house plants.

Some of the more popular foliage plants for permanent indoor use include: Prayer plant, the broad, green leaves of which are strikingly spotted with brown markings; or the watermelon plant, leaves of which resemble the familiar, striped watermelon; the trailing heart leaf philodendron, a modest grower to be hung on a wall or set on a ledge and let trail; and the larger, unusually attractive fiddleleaf philodendron, which is excellent when grown up a pole. There are many others to be seen on display at your local CAN nursery that would make any hostess happy at heart. It gives you pleasure to take one, too. Try it and see.

4 Injured in San Ramon Collision

Four persons were injured at 5 p.m. Sunday at the intersection of Crow Canyon Road and Old Crow Canyon Road, San Ramon.

Mr. and Mrs. Milner V. Cannon and Mr. and Mrs. Guy Maynard Foster, all of Berkeley, were taken by ambulance to Kaiser Hospital, Walnut Creek. Officers stated that Cannon turned directly in front of Foster's car. A complaint has been issued against him for failure to yield the right of way at an intersection and turning without safety.

Bedding Plants Backbone of Your Garden

To garden without bedding plants would be like cooking without herbs. They are the staple items of our garden and should be used liberally to space a border, to accent an edging and to be savored as cut flowers in our homes.

THE JOY of these wonderful flat-grown annuals (and perennials) is that they, above all other things in the garden, are so easy to grow. Basically you simply plant them, water them and wait for the bloom that is sure to come. But as every experienced gardener knows, there are a few cultural refinements which bring forth more than an average showing of color. And since the coming weeks will be the year's busiest planting time with bedding plants, it would be well to review.

WORKING the soil well before planting cannot be overemphasized. Far too many gardeners are willing to turn the soil only to a shallow depth and call it quits. The real secret of success with bedding plants is to turn the soil deeply, digging in manure and compost to lighten it down to a foot at least.

The next most important thing, according to the California Association of Nurserymen is to pinch out the tops of the young seedlings before they get spindly. This encourages sturdier growth, more side shoots to bear flowers.

GERMAIN'S NEW, INSTANT SOLUBLE PLANT FOOD

AN EFFECTIVE, COMPLETE NUTRIENT FOR ALL PLANT LIFE...
Lawns, Plants, Shrubs, Flowers, Roses, Orchids,
African Violets, Trees, Vegetables, Tropicals, Indoor Plants

The DEW method of plant feeding is 9 1/2 times more efficient, because DEW feeds plants by absorption through the foliage as well as the roots. DEW's rich nutrients are absorbed by each leaf immediately after spraying, then move rapidly throughout the plant providing it with long-lasting health, growth and beauty benefits.

DEW's complete formula, 25-14-10, contains extra nitrogen for quick stimulation and sustained growth. Plants respond in short order and you see the results. It's the ideal plant food for lawn and garden beauty all year long.

EASY-TO-USE • CLEAN • ODORLESS

Highly concentrated DEW is completely water soluble and will dissolve instantly in Germain's Lawn Sprayer or other standard fertilizer gun, syphon applicator or sprinkling can. Its spray will not burn foliage when used as directed. DEW may be combined safely with insecticides, fungicides and weed killers in the same application. One box makes 100 gallons of plant nutrient. Free measuring spoon is enclosed.

Kennel Club Sponsors Special 'Fun' Classes

A blue terrier owned and hand-reared by Sharon Magnesi, Walnut Creek, captured top honors to conclude a seven-week fun contest sponsored by the Contra Costa County Kennel Club.

For the past seven weeks, the club has been conducting the fun class in connection with its showmanship training sessions at the Pleasant Hill Recreation Center.

Each week finalists were selected from the various dog breed variety groups. This week the finalists competed for the

top award.

They were Betty Wilson, Lafayette, cocker spaniel; Joyce Evans, Lafayette, afghan; Nancy Sauter, Walnut Creek, sheltie; Scott Harvey, Berkeley, miniature pinscher; and Betty

Bogue, Oakland, poodle.

Paul Putnam, Novato, was judge.

Each week, the Contra Costa County Kennel Club offers a special showmanship training class for persons interested in show-

The classes are held each Tuesday at 7:30 p.m. in the Pleasant Hill Recreation Center. Further information about the contest may be obtained by call-

Highway Tax Aid to Counties

The February split of state highway users' taxes among the counties, cities and state amounted to \$31,819,790, State Controller Alan Cranston announced.

The total was 9.3 per cent greater than for the same period last year.

Contra Costa County's share was \$162,332.

Cranston said the total was apportioned as follows: \$7,591,325 to counties; \$2,942,783 to the State Highway Fund for cities; \$21,285,682 to the State Highway Fund for expenditure on highways.

The funds distributed were comprised of \$28,241,118 from the gasoline tax, \$2,359,312 from the diesel fuel tax, \$974,550 by transfer from the Motor Vehicle Transportation Tax Fund and \$244,810 from miscellaneous sources.

Easter Seal 'Story' Will Be Related

Allen Cushman, chairman of the speakers bureau for the county Easter Seal Society for Crippled Children and Adults announced that 11 volunteer members of the speakers bureau will tell the "Easter Seal Story" at meetings of service clubs and fraternal organizations.

Cushman said, "When Contra Costa residents receive their Easter Seals they will want to know how their Easter Seal contributions are spent."

A request for a speaker at club meetings is one of the best ways to obtain information on Easter Seal services in Contra Costa County and throughout the nation."

Among members of the Contra Costa Easter Seal speakers bureau are three members of the Alameda-Contra Costa Medical Association who have volunteered their services to the Easter Seal Society.

Cushman stated that colored slides showing services of the Easter Seal Society to crippled children and adults are available for showing to groups, as well as films demonstrating services of the California Society for Crippled Children and Adults and the National Society for Crippled Children and Adults (the state and national Easter Seal Societies).

Program chairmen wishing to make arrangements for a speaker may call or write Contra Costa County Easter Seal headquarters at 240 South Sixth Street, Richmond, or at 200 North Main Street, Walnut Creek.

Dense, heavy texture resists soiling, conceals footprints; tufts are woven through the back with Kara-loc processing that makes each tuft stay permanently in place. There are fifteen glorious colors for your decorating pleasure—grain gold, pageantry red, autumn forest, cellini gold, satinwood, spruce green, Grecian olive, mistletoe, parchment, chestnut, castilian aqua, opal, shifting sand, martini and tempo blue.

BEST BETS

by Barbara

With that April 16 deadline looming up, a lot of people who were lax in keeping track of the facts may be having a little trouble with you-know-what. Receipts sometimes get lost. But if you lost a book like "Family Expense Records," you'd notice it. It could help you keep track of cash-type dollars, for instance the family's visits (few, I hope) to a certain local hospital as out-patients. They tell me they just can't give you that information at the hospital, so you make a guestimate. Also cancelled checks to drug stores are only O.K. if you write them "never on sundries." Next year, be prepared with such record books as "Expense and Tax," "Auto Record at a Glance" and "Personal Tax Record," all available downstairs at CONTRA COSTA STATIONERS, 1410 Broadway Plaza, Walnut Creek. Also same at 15 Fiesta Lane, Lafayette. They have everything for the home office and the office office, too.

Calling all Irishmen! Sure and this Saturday is St. Pat's Day, and where else would you expect to find the finest corned beef, except at Guido "Buck O'Ferraro's RITE SPOT MARKET at 1242 South Broadway. Their corned beef is made of lean U.S.D.A. Choice brisket and is so mild you don't even have to change the water when you cook it. You can save some cabbage on it, too, this weekend.

it's a special at 59c a pound.

The RITE SPOT MARKET is something special itself, designed to supply a need for people who really want BETTER than average meats and sometimes hard-to-find favorite delicatessen items. Buck's alma mater (where he was meat manager before he came here) is Goldberg-Bowen in San Francisco, which means quality to those familiar with it. Just as RITE SPOT does in Walnut Creek.

Because you'll be running around a lot this Thursday, Friday and Saturday checking your "lucky number" on the upper right hand corner of the cover page of this section to see if you can match it with the number on one of those "prize bargains" in the Broadway Stores, you'll probably like to take it easy otherwise. So let STINNETTS BAKERY at 1236 South Broadway, do your baking for you. They'll have a delicious variety of cakes, some decorated in the St. Pat theme, all somewhat fresher than jokes about Pat and Mike. For Sunday morning, breakfast relax and enjoy some buttery-light Hot Cross Buns, as sure a sign of spring as a bobbin' robin. They are always especially delicious from STINNETTS and this weekend they are specially priced. Regularly 96c a dozen. Thurs., Fri. and Sat. they'll be only 70c a dozen.

To top an evening with old-fashioned candies, top your shopping list with a stop at LAWRENCE'S CANDIES, 1240 South Broadway. They have such nostalgic old favorites as honey comb, rock candy, divinity kisses and licorice-by-the-yard, to name just a few. If you are in the area, you can find this store with your nose. The sweet scent of fresh britches, made right in the window, will lead you in like the children following the Pied Piper (and that's their name, Piper, really). This weekend they are featuring green apples, not the tummy-ache kind, but delicious green-candied cinnamon apples on a stick for "Luck of the Irish Days." Drop in at LAWRENCE'S CANDIES—and pick up your St. Patrick's Day greeting cards while you are there.

Talking about old-fashioned things, there's old George Van Meter, "that little old shoe fixer he." The Van Meter's have been in the shoe repair business in Walnut Creek for 25 years. His shop, VAN METER'S SHOE REPAIR, 1254 Broadway, is so small that you have to take your shoes off to get in, which is just what he wants. He'll fix them up like new. He is the ham (to judge from his lecture notices on the bulletin board) sandwiched between Dr. Stoller's and Birdie's Toy House. His hobby is lecturing to groups about various current community problems and histories of the area. A favorite talk is "Old Time Medicine Shows." You'll enjoy knowing the Van Meters and you'll also appreciate their first class, fast, shoe repair service. Mr. Van Meter leaves us with this, "A good day's work never hurt anybody. But then, neither did a good day's rest."

BROADWAY'S

Luck OF THE Irish

Prices Are Crazy!

Fantastic prices, unheard of winning numbers, where what looks like a down payment will make the valuable item yours forever!

How would you like to buy a \$170 television set for only \$19? Or a \$200 family wardrobe for only \$25?

These will give you an idea of the "crazy prices" which will be set in Broadway Shopping Center stores during the "Luck of the Irish Days."

There will be hundreds of crazily-priced items, and each of these special items will go to the reader of The Sun Shopping News or The Sun who has the "lucky number."

When your Sun Shopping News arrives on March 14, and your regular Sun subscription newspaper arrives on March 16, check the "Broadway Section" to see what your "lucky number" is. Each Broadway section will be numbered individually. No two numbers will be the same.

Then take your Sun Broadway section during "Luck of the Irish Days" to Broadway, and check the stores to see if it is a winning number!

THERE will be hundreds of

winning numbers, where what looks like a down payment will make the valuable item yours forever!

Each merchant is planning to have several crazily-priced items.

For example, Sears in Broadway, will offer a popular model portable television set usually priced at \$169.95 for just \$19 to the resident with the lucky number on The Sun Broadway section. He will be able to plunk down \$19 and the new set is his!

Sears will also offer to a "lucky number" holder a boy's or girl's 26-inch bicycle valued at \$45.98 for just \$4.44.

OTHER lucky prizes are being planned by Sears.

Penney's is planning to offer a \$200 family wardrobe for just \$25.88, also patio furniture, originally priced at \$50, for just \$6.88.

Another example is W. and J. Sloane, Inc., home furnishers, which plans to offer to the lucky number holder "40 per cent off" on any sofa custom made in customer's choice of size and material.

The Sun's Broadway section will carry on the cover page the names of the participating stores and the "crazy prices" they will each offer to the lucky

number holder.

All you need do is to be sure you get the March 15 Sun Shopping News or the March 16 regular Sun newspaper and take it with the individual number stamped on it to the Broadway stores to see if you are among the hundreds of "lucky number" holders.

Each store will have its lucky numbers posted. Show the store folk your lucky number and that's all there is to qualifying!

"This will also give area residents a chance to look at all the new quality items at low prices now offered in Broadway," said B. K. Horne, chairman of the Broadway Merchants Association.

Horne referred to the new spring merchandise which has arrived in Broadway, and is now being displayed in all its glory.

"We hope to see everyone take advantage of the real bargains in Broadway," said Horne.

Best TV Personality Will Win KO-VR Contest

The Contra Costa girl with the outstanding television personality will be chosen as the "KO-VR girl" during the county finals of the Channel 13 "KO-VR Girl" contest to be held April 7 at Broadway Shopping Center, in front of the Lucky Store.

The big event will be held in Broadway in conjunction with "A Day at the Fair," a part of Broadway's Easter Parade, to run April 5 to 21.

Girls desiring to enter may obtain entry blanks at the Walnut Creek Area Chamber of Commerce office, 1359 Locust Street, Walnut Creek.

THE KO-VR Girl county winner picked in Broadway will be eligible to compete in the "KO-VR Girl" pageant to be held later, and televised by Channel 13 in Sacramento.

All women over 18 years old are eligible to compete, whether they are single, married or previous contest winners.

The winner will receive a 13-week television contract, and will appear on National Broadcasting Company television shows.

A \$1000 wardrobe and an all-expense paid trip to Hollywood will go to the winner.

SHE WILL appear on Queen for a Day and the new Tennessee Ernie Show. An all-expense paid trip to Lake Tahoe is included.

The "KO-VR Girl" contest is tailored for television. Judging will be done on a television screen where personality and ability to speak will count heavily in the scoring.

The judging of the county winner in Broadway will be by television, and the judges will not see the competitors in person, according to C. Glover Delaney, vice-president and general manager of Channel 13.

Looked for in each girl will be beauty of face and figure, poise, including her walk, carriage and gracefulness, personality including voice quality, ability to converse and manner.

The county winner will compete in the area finals which

Orinda Art Center to See Matisse

Sponsors and friends of Orinda Art Center will attend a conducted tour of the Matisse exhibit at the San Francisco Museum of Art next Thursday.

Leaving the community church parking area at 10 a.m., the group will drive to San Francisco, where they will be greeted by the museum staff before the regular opening time. The new showing of Henri Matisse works will include his retrospective paintings, and drawings of the stained glass windows on which he is presently working, which are stained, etched and painted.

A collection of colleges will be included, also, according to Mrs. Frank Brown and Mrs. Robert Davis, who are in charge of arrangements.

Cost will be 75 cents per person. Lunches may be brought from home. Return time has been set at approximately 2:30 p.m.

Towhee Unit Instructs New Members

The Towhee Unit of the Mt. Diablo Therapy Center met recently at the center, to instruct new members.

Prior to the tour, Mrs. Juanita Benoy, administrator, described progress the center has made since the present building was occupied five years ago.

Mrs. William Worden, president, conducted a short business meeting. Mrs. Franklin Williams and Mrs. Jared Abell were named co-chairmen of a bridge benefit to be held in May.

Docs, Damsels Have Ball

The Camellia Ball at Jack London Hall last Saturday provided doctors and their damsels a rare evening of sociability. This beautiful formal affair was revived this year to swell the philanthropic fund of the Alameda County Unit of the Women's Auxiliary to the Alameda-Contra Costa Medical Association. This year's ball was under the direction of Mrs. Melvin Donaldson.

Among reservations received by Mrs. E. James Young, arrangements chairman, were those made by the Doctors and Mesdames William M. Mutch, Russell Schulze, William B. Leftwich, L. H. Fitzgerald, Jr., Frank A. Spencer, James B. Turre and William B. Shepard.

We live in a beautiful area. Don't litterbug. Let's keep our garden clean.

REALLY AMAZING is the wardrobe at Penney's Walnut Creek, marked down from \$200 to \$25.88, as a feature of the "St. Patrick's Luck of the Irish" Days.

Walnut Creek Considered For Traffic Safety Honor

Walnut Creek is among the cities of the nation being considered for safety award honors it was disclosed by Chief of Police Leigh M. Brilliant who has recently completed a report on the community's record for 1961 in which no pedestrian fatalities were recorded.

The report has been forwarded to the California State Automobile Association for judging in the annual nationwide pedestrian protection appraisal by the American Automobile Association.

All entries will be evaluated by a board of judges comprising some of the outstanding leaders in the field of traffic safety. A total of 45 states are

represented, including 1772 cities. This year's evaluation includes 81 cities from the area served by the California State Automobile Association.

Commenting on the causes of pedestrian accidents, Chief Brilliant, contest representative for the city, said:

"Outstanding pedestrian safety records can be achieved only through each of us exercising caution to avoid situations which have been proven to be highly dangerous. The most dangerous of these practices, as reported by the AAA Foundation of Traffic Safety, is crossing the streets between parked cars."

Refineries To Become Classrooms

Contra Costa County's four giant petroleum refineries will become the classrooms of 50 high school counselors and teachers, participating in the first workshop of its kind in Northern California, June 18-22.

Under the auspices of the Western Oil and Gas Association, which represents the oil industry, the group will study "The Oil Industry: Research, Marketing, Production." Registration is open until March 16 to counselors and social studies and science teachers.

H. P. Shawnee, the association's Los Angeles manager, will conduct the workshop with the assistance of key personnel at the refineries of Shell, Tide-water, Union and Standard Oil companies. Bus transportation will be provided.

Content of the workshop, similar to one held in 1961 in Los Angeles, will include petroleum exploration, drilling, refinery processes, research and products.

The workshop is sponsored by the office of County Superintendent Floyd Marchus.

Parent Role Discussed At Meeting

"The Parents' Role in Education" was the title of Al Gregory's cup winning speech, at last week's meeting of the Diablo Toastmasters Club.

Speakers were introduced by toastmaster of the evening, Merle Andrus.

The impromptu table topics were presented by table topics-master Alex Karim of Walnut Creek and Keith Hudson's one-minute talk was voted the best. Master evaluator and grammarian Paul Tuft of Pleasant Hill introduced the evaluators for the principal speakers.

The "Boot and Spur" was awarded to John Phillips of Walnut Creek for his evaluation of Bob Davis' speech.

Bob Davis will represent Diablo Toastmasters Club in the district competition and this was a non-competitive speech.

Byrd Thysell of Walnut Creek received the "Yakkity-Yak" and the "Wizard of Ahs" went to Alex Karim.

The guests were welcomed by Byrd Thysell, president. Diablo Toastmasters Club, meets every Thursday evening at 8:30 at the Nut Bowl Restaurant, Pleasant Hill.

Mrs. Kelly Named to Federation

The appointment of Mrs. John G. Kelly to serve as a Contra Costa representative on the Bay Area Welfare Planning Federation was announced by Ben Goldberger, president of the Contra Costa Council of Community Services.

Mrs. Kelly, current head of the Central District of the Council of Community Services and a member of the county board, is the past president of the Women's Club of Diablo Valley College, a member of the Junior League of Oakland where she has served on the board, and active in the United Crusade in the speaker's bureau and the residential campaign.

The Bay Area federation focuses on planning and coordina-

tion in the fields of health, welfare and education in the five counties of the Bay Area through the offices of the Councils for Community Service in each of those areas.

Other representatives serving on the federation board representing Contra Costa are E. T. Kenrick, B. J. Callaghan, Ralph Harris and Reverend Richard Rowe.
